West High School
 Knoxville, Tennessee

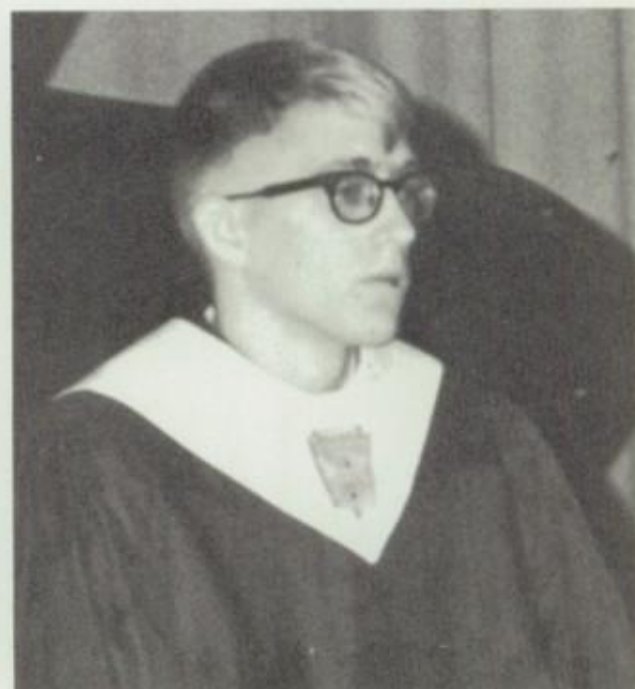

Vol. XVI

The doors of West opened, and as they did, each student stepped into a separate world . . . a world whirling on an axis of continuous and constant emotion. It was a strange, new world to the apprehensive freshman. To the sophomore, the world was not so strange, yet it held a new and fresh excitement; there were many untrod paths awaiting anxious adventurers. The junior was engulfed in his own world of superiority—he was already familiar with much of this world. The senior faced his world with mixed emotions of regret and anticipation as he tried to capture his last precious moments of high school life. He was reluctant to finish his last year at West, and yet he was eager to face the future, which promised to bring his misty dreams into reality.

So the year began; no two days were ever the same. The many unforgettable moments of the school year 1966-67 and the emotions experienced through them were only fleeting glimpses of our lives at West High. This annual serves as a precious chest to guard our memories which still linger to keep our emotions alive, for emotions compose the world we feel within our hearts.

The bell rang; classes began. Academic problems crowded our minds—tests had to be taken, experiments had to be completed, themes had to be written. It was evident from our grave expressions that these matters could be determining factors in our grades; nevertheless, we were eager; we realized that academics lay the foundation for a thorough and complete education. It was each student's opportunity and privilege to take full advantage of the program. Every student had his own personal interests, fulfilled through a wide variety of courses which enlivened special interest and developed ability. The student could gain a more mature understanding and appreciation of a subject in which he was interested. The industrious students found that studying diligently and persistently was highly beneficial for future use.

Reading Is the Key to Success

Mrs. Cooper is always available to help find interesting books.

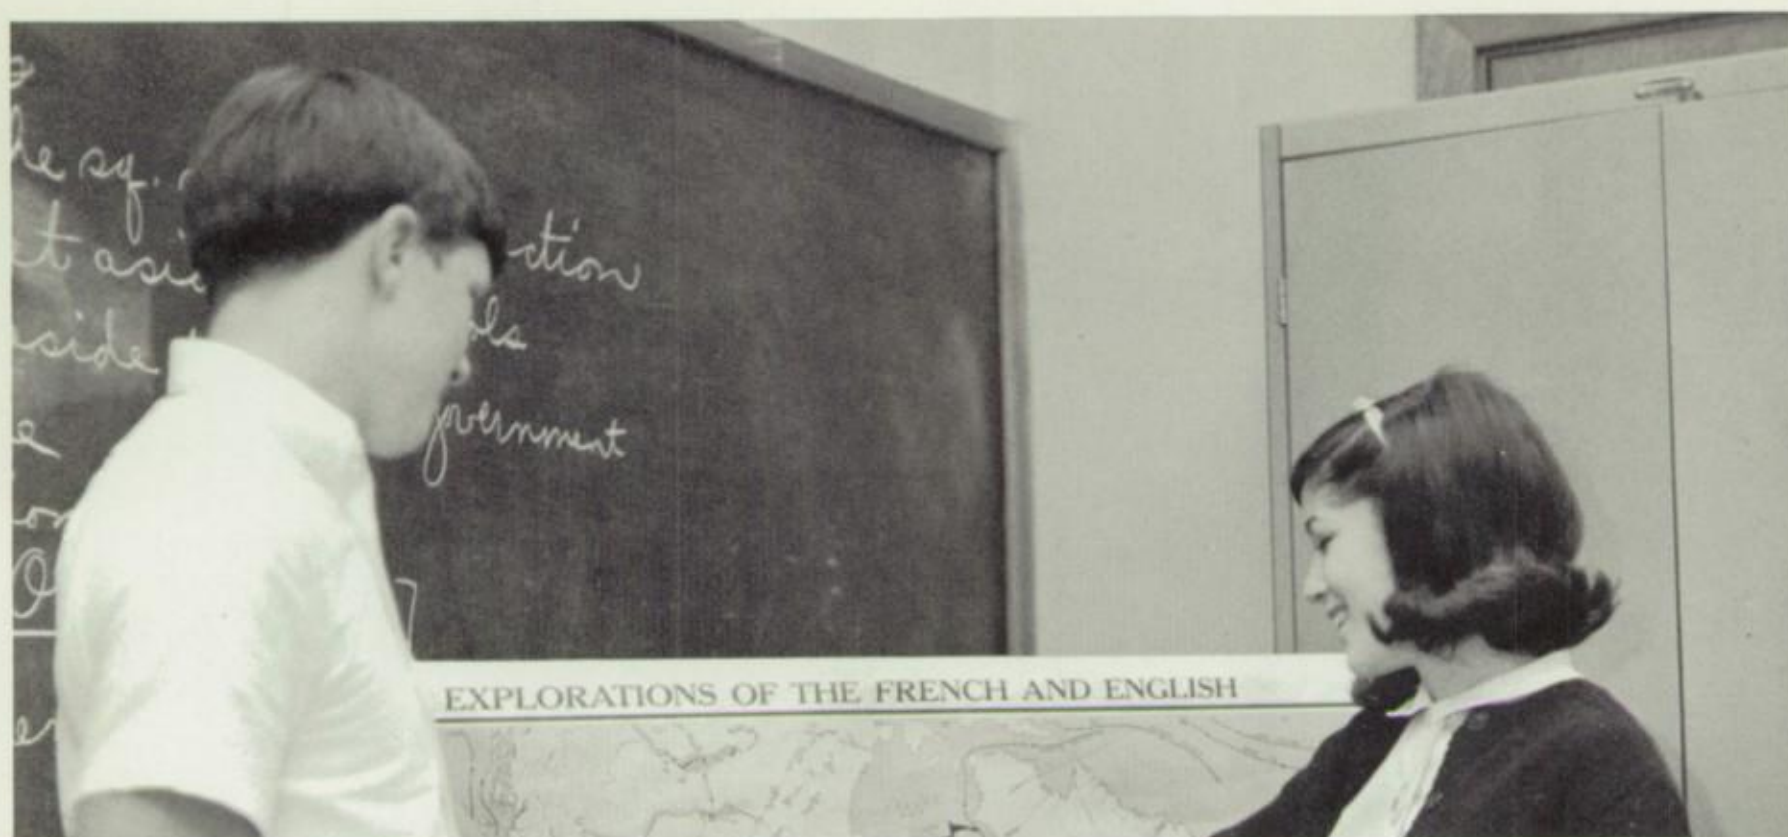

The library provides a satisfying atmosphere for study.

Through our rapidly growing library, West High students became familiar with the exciting Civil War days, the current plans of the space program, and the moon men of the future. In addition to the excellent and interesting novels and biographies at hand, the library readily provided informative bulletins and periodicals. Under the supervision of Mrs. Cooper, the library has built an excellent history collection and has acquired the **Twentieth Century Views** which concentrates on the works of American, British, and European writers, bringing together the most challenging criticism of their works. Whether a student needed a book concerning the structure of the atom, a detailed biography on Abraham Lincoln, or research material on animal imagery in **Macbeth**, he found that the library met his need.

Through our fine library, students became aware of the extreme importance of reading which provides a never-ending self education for everyone. It is to the student's advantage to read as widely as possible in order to succeed in the complex world today.

Cheryl Evans and Edith Wallace study one of the many catalogues provided in the college room in the library.

Jet Powell and James Martin locate the area explored by Lewis and Clarke.

Social Studies Increase Our Awareness of the World

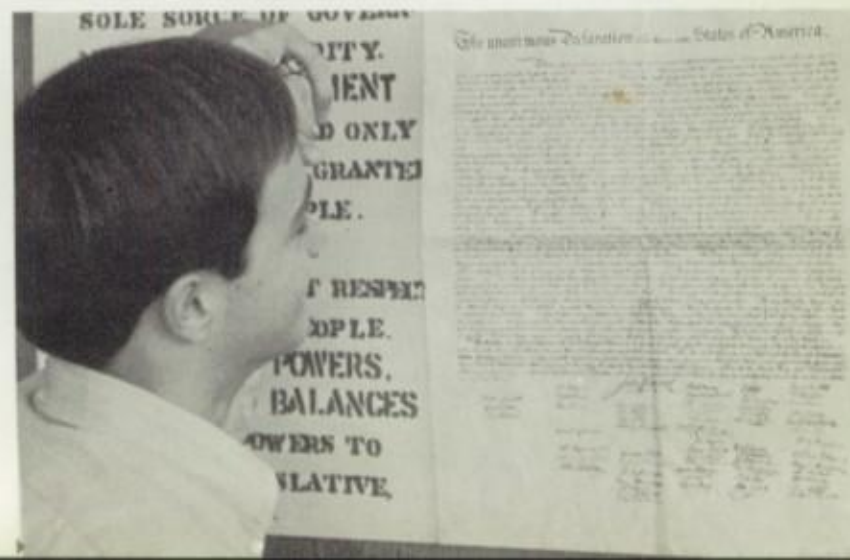

The world globe is a useful tool in helping students relate cultural ideas and customs to specific locations.

"We, the people . . .," began a nervous senior in American government class quoting the famous Preamble. This assignment, in addition to the many others from American history, world history, geography, or economics, helped students to thoroughly understand the people and the cultures of the world in which we live.

History is a necessary component of a student's curriculum. West offered a considerable variety of many absorbing history courses. While some students studied past events, others learned operations of the present government. It is imperative that students be fully educated in the governmental system since the responsibility of the government is theirs.

Social studies are basic essentials that form a necessary foundation for awareness to be fully developed.

National documents become points of interest for American government students.

Many French students dream of practicing French in Paris.

Howard Thacker spends much time trying to master French.

Languages Expand Appreciation of Distant Cultures

Latin students not only learn to translate the language, but also to appreciate the ancient Roman customs and civilization.

Language is the means developed by man for communication. Through the language department, students of West High School developed a real understanding of the importance of languages. They discovered that it is through the tongues of men that nations speak. As their skills increased in various languages, these students gained a deeper respect for the people of distant cultures. A spirit of understanding began to grow as students became more aware of the variety of people and the customs of the respective countries.

French, Spanish, and Latin were offered to students. Some sought to learn more through romantic French. Others sought the intrigue offered by the Spanish language. Many built a strong foundation for several languages by taking Latin.

By mastering a selected language, students found they seemed to grow closer to the corresponding people. Once the language barrier was broken, ideas could be shared and common interests found. Strangers became brothers, and the bond of international friendship grew.

English Both Emphasizes and Improves Communication

A map of the works of English authors interests Sharon Murphree as she looks for Shakespeare's birthplace.

It was fun to read **Macbeth** and reach for underlying meanings or study **Great Expectations** with real understanding.

Speech class often provided entertainment, when after hours of hard work and deep thought, a student presented his talk on "The Peanut".

In journalism, students learned to record the history of West and reflected the thoughts of fellow classmates.

These were some of the projects which helped to build the skills of better communication for the students of West High. These skills encouraged students to think; they helped them to organize and express their thoughts in the clearest way possible.

A sound foundation was established in the skills of writing, speaking, and reading. Students were able to enter, better prepared, into other subjects because these skills are directly applicable to all other courses.

Speaking confidently in public is practiced repeatedly in speech.

In journalism class, Lisa Callaway rechecks her feature story before turning it in.

Mathematics and Science

Dick Duffy proves a theorem for his geometry class.

That complex world of numbers, equations, and symbols is a course of study which touched every person at West High School. A student will not soon forget the time spent frantically trying to solve algebra equations such as $\sqrt{x^2y^2 + x^3y^4}$ or geometry problems concerning those confusing congruent triangles and complex theorems.

Many students could see no reason for taking mathematics courses, but they soon found that without such study, many science courses such as physics and chemistry were meaningless. The West program offered wide and varied courses in mathematics. While underclassmen were struggling with the relatively simple courses of algebra, the upperclassmen were laboring with the more complex problems of geometry and senior math. These courses helped students in preparing for future study in mathematics. Even those who did not plan a math career developed a much better ability to think and reason.

Many students can see no reason for taking mathematics, but they soon find that it is quite useful in physics.

What would geometry students do without compasses and protractors?

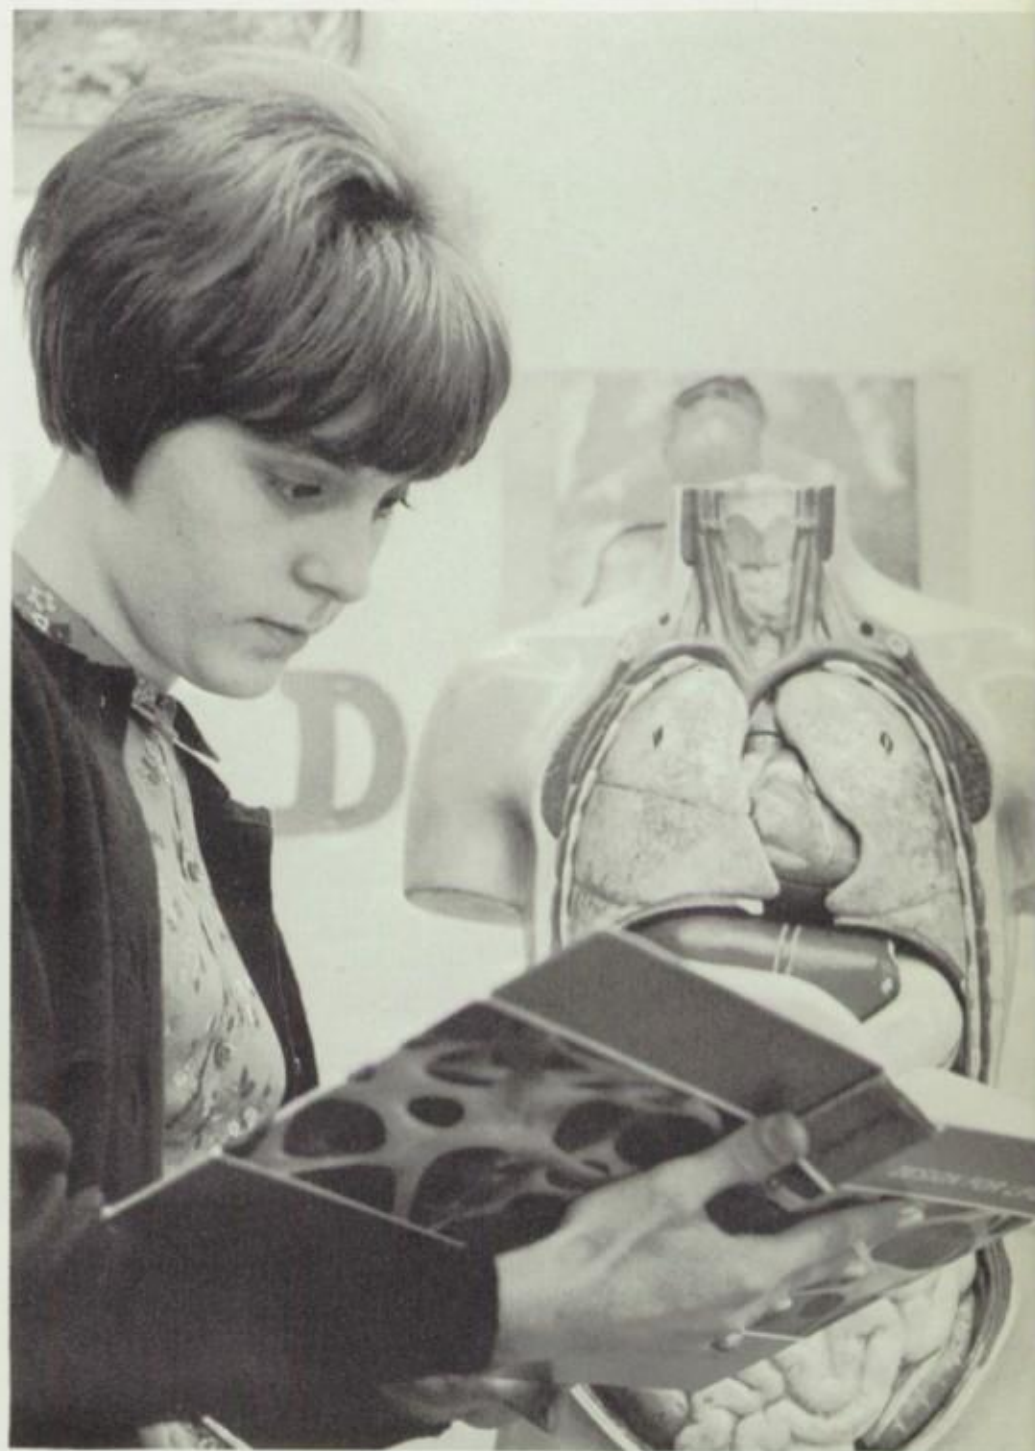

Teach New Concepts

Dena Garcia and **Randy Dean** study insects' body parts in biology.

"Has anybody seen my frog's spinal cord?" was a familiar cry in the biology classes, where students got their first taste of laboratory work.

A science course was offered to every student, regardless of grade. Freshmen received a basic scientific background through general science. Many upperclassmen chose to take biology, physics, and chemistry. Students broadened their knowledge of "lab" techniques through tedious work in these subjects. Many times during the year, when peculiar smells came from the chemistry room, everyone knew that the gas had been left on (again). After taking four years of science, students gained many new concepts and a more thorough understanding of the mysteries of our chemical and organic world.

The complexity of life is studied in advanced biology.

Don Clarke finds that one of the important factors in a chemistry experiment is accuracy in measurement.

Elective Courses Stimulate

Safety is an important factor in all shop projects.

It started out as just a block of wood; but with slow and careful work, it was turned into a beautiful lamp stand. Boys were able to use skilled hands to create their special ideas in the West High wood shop. They learned to use the necessary tools properly and to apply correct methods in the type of construction they performed. They learned to take pride in all their work, and finished projects came very near to perfection.

A beautiful piece of wool was cut, basted, stitched; soon, a neatly tailored suit became the finished product. This conversation took place more than once in West High's home economics department. Skills of sewing and cooking were put into practical use. Through slides, movies, and demonstrations, the girls learned new techniques which would enable them to become better homemakers. Social graces were learned, giving the girls more confidence in themselves. Because of this training, girls looked forward to planning future homes.

Accuracy in sewing produces better fitting clothes.

Students' Individual Interests

West High's band members relax after the Homecoming game.

Who knows? Maybe someday West High School will turn out a second Leonardo da Vinci. Every pupil surely noticed the many exhibits in the halls displaying the creative paintings made by the students in the art classes. Students not only learned to express themselves through various media, but also gained a deeper appreciation of art through their study of the lives and famous works of the well-known artists. Through depth and variety, this course proved to be both interesting and enjoyable.

Choir members prepare for the Thanksgiving program.

Music, to the students of West High, is a very significant expression of pride and joy, for we are most fortunate to have both a choir and a band. Not only the people in these groups, but also those who listened to their music, knew that their precision had been attained only after many long hours of hard work and intensive practice. Students with musical ability who wished to improve their talent elected either of these courses. At every football game, the band's lively music helped to elevate our school spirit. The student body was entertained many times during the year with special musical programs presented by the band and the choir.

Interesting projects keep imaginations busy in art.

Distributive Education Officers, Diana Dabbs, Kathy Kiser, Joan Mitchell, and Libby Castings helped the class prepare for future jobs.

Distributive Education Trains for a Prosperous Tomorrow

Tanya Cody and Diana Dabbs actively participate in one of their many projects.

"Those lucky people getting to leave at 12:30!" exclaimed one girl, speaking of the Distributive Education students. However, the DE students did not have a day off. Instead of attending afternoon classes, they went to their respective jobs, in retailing and wholesaling. They strived to develop maturity and self-confidence and to make necessary adjustments from school life to the business world.

This year's activities included projects such as taking a field trip to Abbott, Proctor, and Paine stock brokers, sending representatives to the State Leadership Conference, participating in a civic research project for the Sales and Marketing Executive Club, and a food planning research project for National Youth Power. The knowledge and skill that these students acquired through Distributive Education were a most valuable part of their training in preparing for successful future employment.

D.E. students leave school at 12:30 to go to their respective jobs.

Students Plan Business Careers

After taking the commercial courses offered at West, many students became interested in entering the business world. They learned how typing, shorthand, and bookkeeping could affect future business careers.

In typing class, students gradually became accustomed to the steady clicking of the typewriters. Later, as tension of those countless speed tests eased, they began to undertake more difficult projects. Taking shorthand was almost like taking a foreign language. Those students learned how to take notes in an amazingly simplified manner, and then struggled over deciphering these symbols into correct English. Future bookkeepers spent many hours keeping accurate accounts of those long columns of figures. Through these courses, the future business students gained the invaluable knowledge of clerical skills and achieved a further mastery of office practices.

Wendell Davis and **Allen Frasier** find the adding machine useful in bookkeeping class.

Students must study diligently to learn the techniques of shorthand and must practice them frequently to retain them.

Taking speed tests requires complete concentration of typing students.

One of the greatest honors a senior at West can receive is to be chosen a member of Who's Who. Twenty seniors were selected by the faculty to receive this high honor on the basis of outstanding character, leadership, service, dependability, and loyalty. These seniors have measured up to the set standards by serving West High and its students.

After each class, the halls of West were crowded with over eight hundred noisy, chattering students. Enthusiasm, loyalty—this was the spirit of West, the heart which made the brick building alive with action.

There was little a loyal Rebel would not do to support his school. From selling chocolate to attending a ball-game, students continually showed pride in being a part of West.

Academically, this year's students set their goals high. The variety of interests was evident by the variety of courses chosen.

The very being of West High School was the students; and each individual in his own way, contributed to make this year memorable.

The Senior Class of 1967

The Senior Class officers Larry Burton, Harriett Line, David Melgaard, Sharon Owenby, and Doug Naugher take it easy in the parking lot after a busy day at school.

The Senior Class of 1967 elected David Melgaard, an outstanding student, as president. Helping David with his duties were Doug Naugher, vice-president; Sharon Owenby, secretary; Harriett Line, treasurer; and Larry Burton, publicity chairman. It was indeed an honor to be elected to one of these offices. After the seniors proposed nominees and the

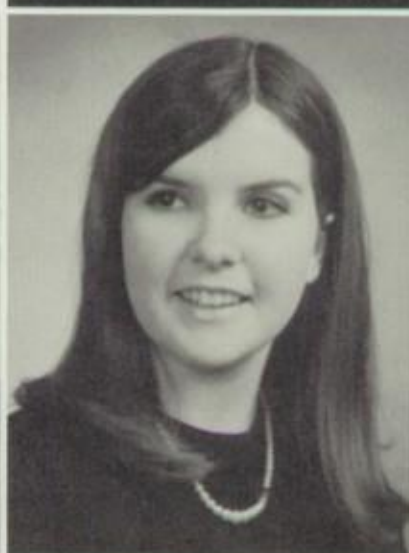

faculty approved them, the Senior Class voted. David's main responsibility was serving as Master of Ceremonies at the Annual Senior Banquet. He also served as the "big organizer" behind all senior projects by appointing committees to plan these projects and by giving them his enthusiastic support whenever it was needed.

The 1966-67 students of West High were outstanding. They proved their capabilities on numerous occasions, receiving recognition and awards for their many achievements.

The students showed their varied interests by taking part in many different activities and programs. Because of their excellent participation, leadership, and attributes, many students were selected for places of honor.

Behind each successful endeavor was hard work, converted by desire and enthusiasm into enjoyment. The final reward made the task worthwhile. The names or faces of the students may be forgotten, but the credit brought to West High School by their deeds and outstanding achievements cannot be erased by time.

Franklin,
 Our junior year
 really has been
 fun hasn't it?
 I'll never forget
 our great English
 class and all the
 a's we've made
 You really are
 a good looking
 a nice guy.
 I hope I see you
 this summer

Franklin - I can't believe
 this year is almost over.
 I hate to leave West be-
 cause I feel like I have
 the best friends anyone
 could want or need. I
 have enjoyed getting to
 know you so much! You
 are really a great guy
 and you have so many
 fine qualities. With
 those qualities and your
 personality, I'm sure you
 will always succeed.

May you always
 have the very, very
BEST!

Students Became Better Citizens

Girls' and Boys' Staters were Jim Bletner, Joyce Zirkle, Harriett Line, and David Melgaard.

The summer of '66 brought special activities for four West High students. Joyce Zirkle, Harriett Line, David Melgaard, and Jim Bletner were elected by the faculty to represent West at the annual Girls' and Boys' State. State government was reenacted by the girls at Middle State University and by the boys at Tennessee Tech.

As the new school year began, students sought inspiration through non-denominational Christian groups, Young Life and Christian Students Union. Young Life met weekly in various students' homes for fun, singing, and inspirational talks given by Bob Kaufman. C.S.U. met every morning before school for singing, a short devotional talk, and a prayer.

Christian Groups Offered Fun and Inspiration

The bigger the Y.L. Club, the better.

C.S.U.—the perfect way to begin every day.

Mary Billingsley received the NMSNS award.

Key Club was awarded for superior work with muscular dystrophy.

Students Received Recognition

As the year progressed, many students received awards for their services and talents. Mary Billingsley, an outstanding senior, received a National Merit Scholarship for Negro Students. Having received high scores on a series of qualifying tests, she was selected to receive this award.

After the faculty nominated five girls, the Senior class elected Harriett Line to receive the D.A.R. Good Citizenship Award. This honor is bestowed annually by the James White Chapter of the Daughters of the American Revolution to one senior girl. Harriett was chosen for her outstanding dependability, service, leadership, and patriotism.

Harriett Line received D.A.R. Good Citizenship Award.

The West High Key Club consisted of many outstanding boys. In the fall they collected for the Muscular Dystrophy Fund Drive. For their excellent work and enthusiasm, a service award was presented to the Key Club. President David Melgaard and Secretary David Bosse received the award in behalf of the entire club.

Peggy Austin, senior, was awarded the 1967 Betty Crocker Homemaker Award for West High. To receive this honor, Peggy achieved the highest score on a written aptitude test covering all phases of home economics. Peggy's results were then sent to be judged in a state contest.

Varsity cheerleaders led "West's Big Wheels" in the Youth Appreciation Week Parade.

Youth Parade and Shindig Highlighted Fall Activities

During the fall, West High students eagerly participated in the annual Youth Appreciation Week Parade. West's use of the unique "Big Wheels" has always been the high point, as students paraded down Gay Street on bicycles. An outstanding student cycled for each organization.

An eagerly awaited event was the SRA Shindig, which gave West High students the opportunity to display their various talents. Coach Walter Ganz, who acted as the master of ceremonies, helped to make this event thoroughly enjoyable and entertaining for everyone.

West High's own "Vandalettes," Tamilyn Cox, Cynthia Harris, and Elizabeth Willis, entertained at the Shindig with popular songs.

The one and only M.C.—Mr. Walter Ganz!

Talented Girls Entered Competition

Miss Teenage Knoxville contestants Lanier Long, Julia Hickman, Debbie Gardiner.

While many of the students participated in school competition such as the S.R.A. Shindig, several of the girls displayed their charm and talent in city-wide contests, the Miss Teenage Knoxville Contest and the Junior Miss Pageant. Two West girls were also selected for the Miller's Junior Fashion Board.

The tremendous amount of school spirit at West is due to the students' sincere loyalty. West's school spirit, which was sparked by the cheerleaders, pep rallies, and the Pep Club, gave the athletes the determination and challenge they needed for victory. One would never enter a West sports event without hearing above everything else the loyal REBEL YELL.

Helen Mintz represented West High in the Junior Miss Pageant.

Junior Fashion Board Members were Bina O'Callaghan and Pam Smith.

1966 Homecoming . . .

Homecoming Queen Cheryl Evans

"The song is over, but the melody lingers on." What wonderful memories remain in our hearts of Homecoming '66: the numerous committee meetings, the frustration of planning skits, the search for original poster ideas, the people backstage looking scared but excited, the consternation of Mrs. Hina about someone's costume, the victorious game, the magical moment of the crowning, the tears; these are only glimpses of all the many, many phases of Homecoming '66.

The first glimpse came with long-awaited assembly. Candidates were presented as the audience applauded for favorites. The hilarious skits put everyone in the festive mood of Homecoming. Our spirits mounted during the afternoon pep rally and reached their peak as the Rebels raced past Farragut. "Harvest Moon" set a perfect mood for that unforgettable evening of the dance.

Homecoming, the result of two weeks of tedious planning and frenzied activity, is now a thing of the past; but it will continually hold a special place in our hearts.

Tom McMahan announces the 1966 Homecoming Queen.

One to Remember

Football Captain Jack Brown crowns the Queen.

"Honest Miss Evans, I do go to West High."

Seniors, David Melgaard and Tom McMahan received First Team All-AA Division ratings. Tom McMahan was also named "Back of the Week" twice by the Knoxville News Sentinel.

Determined Athletes Made All-Star Teams

Much recognition was given to West's students for scholarship, talent, and athletics. This year's athletes certainly received their share of awards, but it was only through strong determination, many long hours of hard work, and a sincere desire for victory that these awards were made possible. Three varsity football players were selected for the AA division team, while two were given the honor of playing for the All-KIL

team. One boy received honorable mention for the All-East Tennessee state team. Twice, the Knoxville News Sentinel selected West's quarterback as "Back of the Week." A member of the track team held the state discus record and was also named "All-American" in track. These boys also always seemed to remember the old saying, "It's not whether you win or lose, but how you play the game."

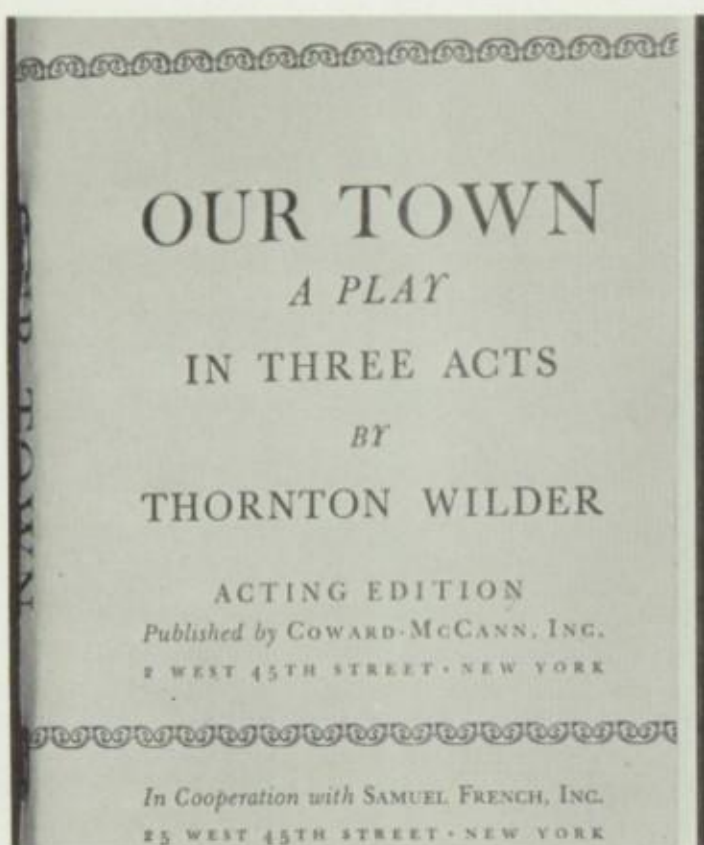

"All-American" track star, Tom Carmichael.

In February, the Senior Play added to winter activities. After long hours of endless rehearsals and unyielding determination to be a success, the play cast achieved the goal of producing Thornton Wilder's **Our Town**. Under the capable direction of Mr. James Good, **Our Town** was perfectly executed. The hardworking cast knew that this play would be difficult work; nevertheless, they were willing to put forth all their efforts into making the Senior Play an outstanding performance for all to remember.

The '67 Sadie Hawkins Dance was more fun this year than ever because everyone dressed in costumes appropriate for a Sadie Hawkins Dance. The decorations were ideal, and they set the perfect "hillbilly" atmosphere for the exciting dance. Everyone was filled with the eagerness, anticipation, and enthusiasm to make this dance a success. The music, provided by the Martiniques, added to the gaiety and festivity.

Mr. and Miss West High '66-'67

West High students bestowed the honor of Mr. and Miss West High on two outstanding students, Cheryl Evans and David Bosse.

Cheryl, a cheerleader for three years at West, and circulation editor of the **Westerner**, was a member of the Pep Club, and the Future Homemakers of America Club. In addition to being Freshman and Sophomore Favorite, Cheryl was

crowned 1966-67 Homecoming Queen.

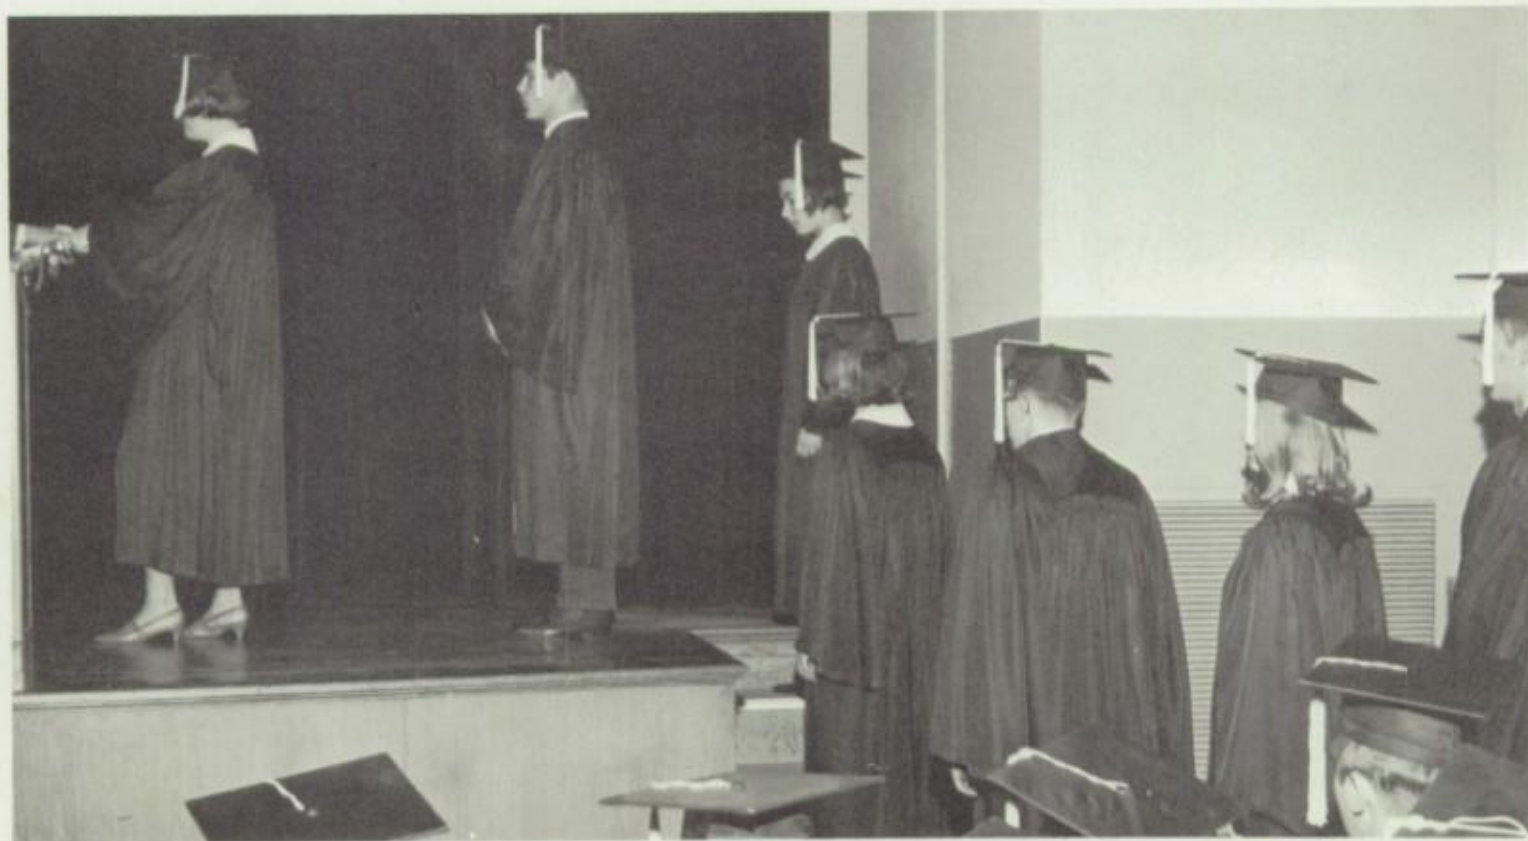

David, a star athlete, was a member of the All-KIL squad, first team of the AA Division, and received honorable mention on the All-East Tennessee team. As captain of the football team, David assisted the sports editors of the **Westerner**. He also was a member of the Varsity Club and served as the secretary of the Key Club.

Prom Climaxed a Perfect Year

"A-hhhhh!"

Graduation—an End . . . a Beginning

The gala evening arrived! As the juniors entered, they felt a pride in the work put into the 1967 Prom. As the seniors entered they seemed to be drawn into a world of fantasy. Expressions of sheer delight shone on each face. Looking back, the year seemed to be almost perfect; this Prom was a climactic celebration which filled already-crowded minds with memories of happiness and joy, never to be forgotten.

A diploma, a handshake, a walk across the stage—for the 1967 Seniors this marked the end of four years of hard work, a reward for a job well done. However, graduation also marked the beginning of another phase of life; it opened the door to golden opportunities; it presented a challenge to take part in building a bigger and stronger America. This education formed the foundation for a prosperous and successful future.

Emotion is a basic aspect of athletics. Regardless of the event, personal emotion is always present in the world of sports. Athletics provide not only the participants, but also the fans, with the opportunity of experiencing the high-pitched excitement of tournament time, the agony of a crushing defeat, the joy of victory, and the glowing satisfaction of a good performance. No other school activity can better prepare the student emotionally for the future years ahead.

1966-67 Cheerleaders Kept

The 1966-67 school year began early for our cheerleaders when they attended the National Cheerleading Camp in Cookeville, Tennessee last summer. In earning a rating of honorable mention the girls learned several new cheers and gained much valuable experience. The girls came away from the camp with many fresh ideas and exciting plans for the up coming year. They put their ideas into action and held some rousing pep rallies before a number of the football and basketball games. The girls gave everyone a pleasant surprise when they showed up in their new uniforms at the first football game. They had had the new uniforms made during the summer and paid for them by selling pom-poms. Made up of four seniors and three juniors the Rebel cheerleaders were present at all football and basketball games. At these games they yelled heartily and never failed to keep up the Rebel spirit among the fans and players.

The cheerleaders were in a daze after Bearden's gridiron victory.

Rebels Finish Season 6—2—1

Coaches Beeler, Ganz, Mitchell, and Gregory.

From the middle of August until the end of November, Coach Mitchell's footballers worked long and hard hours. This hard work showed its dividends as the footballers posted an excellent 6—2—1 record. Head coach Marvin Mitchell and his assistants coaches Walter Ganz, J.A. Beeler, and Mike Gregory did a fine job getting the boys ready for every game. Captains David Bosse and Jack Brown provided on and off the field leadership.

By upsetting Catholic and Rule, the Rebels were able to finish in sole possession of second place in the A division with a 3—1—1 record. Season highlights included the homecoming rout of Farragut, the upsets of Catholic and Rule, and the naming of David Bosse and Tom McMahan to the first and third All K.I.L. teams respectively. David Bosse, David Melgaard, and Tom McMahan were named to the first team All A division. Edwin Riddle, Paul Eppling, James Hudson, Bill Craig, Jack Brown, and Fred Downs all received honorable mention.

Beavers Beaten 19-7

West started the new season right by beating Karns 19-7. Striking in the first quarter on Tom McMahan's 17 yard rollout, West took the lead 6-0. In second quarter after a spectacular 46 yard run by Jack Brown, McMahan again tallied, raising the score to 12-0. A 46 yard gallop in the third quarter, McMahan's third touchdown, provided West's last touchdown. McMahan converted as the score read 19-0. Late in the fourth quarter with the game already decided, Walker Hodges carried 7 yards for Karns only score. Tom McMahan and Jack Brown provided the offensive punch, gaining 186 and 103 yards respectively. Edwin Riddle, who made two touchdown-saving tackles, and Paul Eppling, who recovered a Beaver fumble, stood out defensively. Linemen James Hudson and David Melgaard also excelled.

Alternate Captain Jack Brown.

Rebs and Rockets Battle to 0-0 Tie

In their first A Division game the Rebels fought the South Rockets in a defensive battle to a scoreless deadlock. Early in the first quarter the Rockets marched to the Rebel 31 yard line only to have a pass intercepted by tackle James Hudson. When South regained possession they were again stopped when tackle Dave Melgaard recovered a fumble. Later in the half the Rebels moved 84 yards to the South one, where they were stopped on three attempts to score. When South lost the ball on downs, late in the fourth quarter, West again had a chance to score. The Rebels took over and moved down field on a 14 yard pass from quarterback Tom McMahan to end David Bosse. The South defense tightened again and held the West eleven to no score as the game ended.

East Mauls West 42-7

The Admirals stop Rick Sublett.

Admirals Downed 28-7

West wasted no time in getting on the scoreboard, as on the first play Tom McMahan threw a 42 yard pass to Edwin Riddle who made an unbelievable catch at the 3 yardline. Jack Brown scored on a 3 yard carry. In the second quarter Lynn Weaver picked off a pass and raced 62 yards for a tally. After fleet Fred Downs caught a punt on his own ten and ran 90 yards for a touchdown, West led 21-0 at the half.

In the Third quarter Mahew carried 7 yards for Farragut's only score. Rick Sublett scored West's last tally on a 16 yard pass from McMahan and kicked 4 extra points. Defensively Weaver, Downs, Riddle, and Rodney McCroskey stood out for the West Rebels.

Lose to Arch Rival Bearden

Breaking away against Farragut, Fred Downs scores on a 90yd. punt return.

Golden Bears Upset 20—12

In the fifth game of the season, West jumped temporarily into second place in the A Division with a triumph over Rule. West was on the scoreboard first with a 4 yard run by quarterback Tom McMahan. In the second period, Rule tallied twice and at the half the score stood at 12—6.

In the third quarter, the Rebels went ahead 13—12 on a 7 yard scamper by halfback Rodney McCroskey. In the final period the Rebels added insurance points on a slick 21 yard touchdown pass to Capt. David Bosse. Linemen Bill Craig and Paul Eppling and linebackers Edwin Riddle and Lynn Weaver stood out on defense against the rough Rule gridmen. Tom McMahan was named K.F.L. back of the week.

Coach Mitchell and Tom McMahan discuss strategy.

A feeling of disbelief.

Rival Bearden Romps 35—6

The Bearden Bulldogs, avenging last season's 20—0 loss, smashed the Rebels 35—6. Bearden got the first break of the game when Don Leshner blocked Rick Sublett's punt. David Shifflet ran three yards for the score. In the second quarter Phil Garner raced 80 yards on a punt return to increase the lead to 14—0.

In the third quarter Bearden put three touchdowns on the scoreboard as Ronnie Ramsey, picking up 133 yards rushing, literally ran over the Rebs. West scored in the last quarter as Tom McMahan picked up his own fumble and raced 26 yards for the tally. Defensively Capt. David Bosse, Bill Craig, and David Melgaard stood out for West. For his performance in the game Bearden's Don Leshner was voted K.F.L. Lineman of the Week.

West Upsets Catholic to Clinch

Rebs Down Shamrocks 20-6

The Rebels moved into undisputed second place in the A Division with a 20-6 victory over Catholic. In the first period, Fred Downs recovered a Catholic fumble on their 30 yardline, setting up Jack Brown's 1 yard touchdown run. After an uneventful third quarter, Catholic's Joe Proctor broke lose for an 87 yard run. Donnie Smith scored from the 3 cutting the West lead to 7-6. After taking the kickoff, West marched 62 yards for a tally. Quarterback Tom McMahan scored from the 3 yardline. With time running out, Paul Eppling recovered a Catholic fumble at their 23. McMahan put an insurance score on the board and West won 20-6. McMahan was named K.I.L. "Back of the Week".

The Farragut runner is halted by Dave Melgaard's perfect tackle.

Newport Shutout 14-0

Behind one of their best defensive efforts of the year, the Rebels stopped Newport 14-0. Although the Rebels were able to move almost at will, they could only score one touchdown in the first half on a one yard plunge by Fred Downs. West drove to the Newport 8 yardline on a 43 yard run by Rodney McCroskey, but were unable to score.

In the second half neither team was able to mount a scoring drive, until late in the fourth quarter. West drove to the Newport 11, then Tom McMahan rolled in for the score. Rick Sublett kicked his second extra point, which made the final score 14-0. Linemen James Hudson and David Melgaard almost single handedly stopped Newport's running attack.

Against East, Edwin Riddle goes off tackle for a short gain.

As Farragut's blocking fails, the Rebel gridmen close in on the punt returner.

Rebels Annihilate Austin 25—6

Before the smallest crowd of the year, the Rebels defeated the Austin Panthers 25—6. As the Rebels took the field the temperature read a cool 26, but that couldn't stop the hot Rebels. In the first period Edwin Riddle blocked a panther punt and Bill Clapp fell on the football in the endzone for a touchdown. Jack Brown kicked the extra point. Late in the period Tom McMahan hit Rodney McCroskey on a 17 yard scoring pass. In the second quarter Fred Downs stopped an Austin drive by picking off a pass and returning it 67 yards for a score. West went into the dressing room with a 19—0 lead.

In the third quarter after Tom McMahan scored on a 5 yard run, Coach Mitchell gave his substitutes a chance to play. Austin could score only one touchdown as West went on to win 26—6. David Melgaard and Lynn Weaver stood out on defense.

Roundballers Finish 13—8

At a crucial moment in the Central game, Coach Ganz calls "time out" to discuss last minute plans with the players.

With a 13—8 overall record and a 7—3 league record, the West Rebels finished the '66-67 AA season in a tie for first place with South. West stepped into first place early in the season and remained there until their last game of the season, which just happened to be with second place South. This game, which was won by South, put the Rockets in first place. However, they later lost to Rule, and this loss made for the AA Championship tie. At press time, the Rebels had played their first District 6 Tournament game and defeated Central 70—61. During the season, Coach Ganz did not have an outstanding superstar in his lineup but instead had several top consistent players. Tom Carmichael, Jack Minton, and Tom McMahan were continual standout players through the year. Not starting any set lineup, he alternated Jack Minton, John Luttrell, David Bosse, Tom Carmichael, Tom McMahan, Mike Snyder, Butch Wheeler, and Tom Wilks on his first team. Because the Rebels had more than their share of injuries and sickness, using many players proved to be a big asset. The team elected Tom Carmichael to serve as its captain and Mike Snyder as its co-captain. Both boys provided outstanding leadership to the squad. Post-season honors came to Jack Minton and Tom McMahan as they were named to the second team All-K.I.L., and Tom Carmichael, who received honorable mention.

As Tom Carmichael controls the opening tip, David Bosse and Tom MacMahan await the ball.

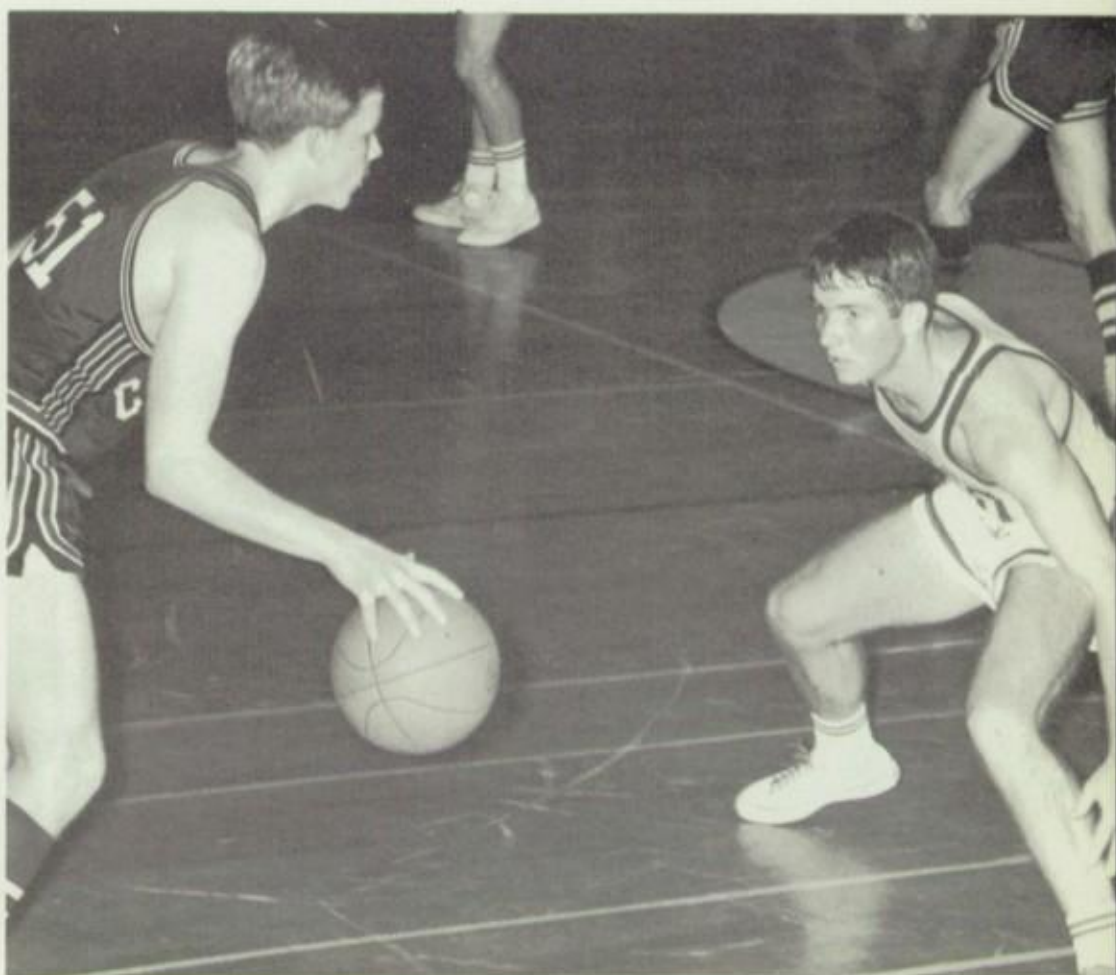

In the opening game of the season, West beat Young 61—49. Jack Minton paced the Rebels with 16 points and Tom McMahan and Tom Carmichael both added 12. Later in the season, West beat Young a second time with a score of 71—55. Tom Carmichael was again a standout with 23 points and 22 rebounds. Arch-rival Bearden defeated West 69—57 and 64—51. In the first game, Jack Minton tallied 18 points and McMahan and Carmichael added 12 each, but this was not enough to overcome the shooting of Kent Hollenbeck who scored 31 points. In the second game, David Bosse led West with 17 points and Bearden's Mike Smith put through 20 counters. The Rebs defeated the Central Bobcats twice, 70—59 and 64—62. Tom Carmichael provided the spark in the first game with 24 points and 20 rebounds. Tom McMahan and Mike Snyder added 13 and 12 points respectively. Behind as much as 18 points in the second game, the Rebels, led by Mike Snyder's 13 points in the fourth quarter, staged an unbelievable comeback to win 64—62. John Luttrell led West scorers with 17 points. The Rule Bears proved to be no match for the Rebels as they lost 78—48 and 63—42. Tom McMahan led all scorers with 23 points as Luttrell added 13 and Minton and Snyder contributed 12 a piece. In the second game, Butch Wheeler had his high game of the year, scoring 21 points.

Rebs Tie for AA Championship

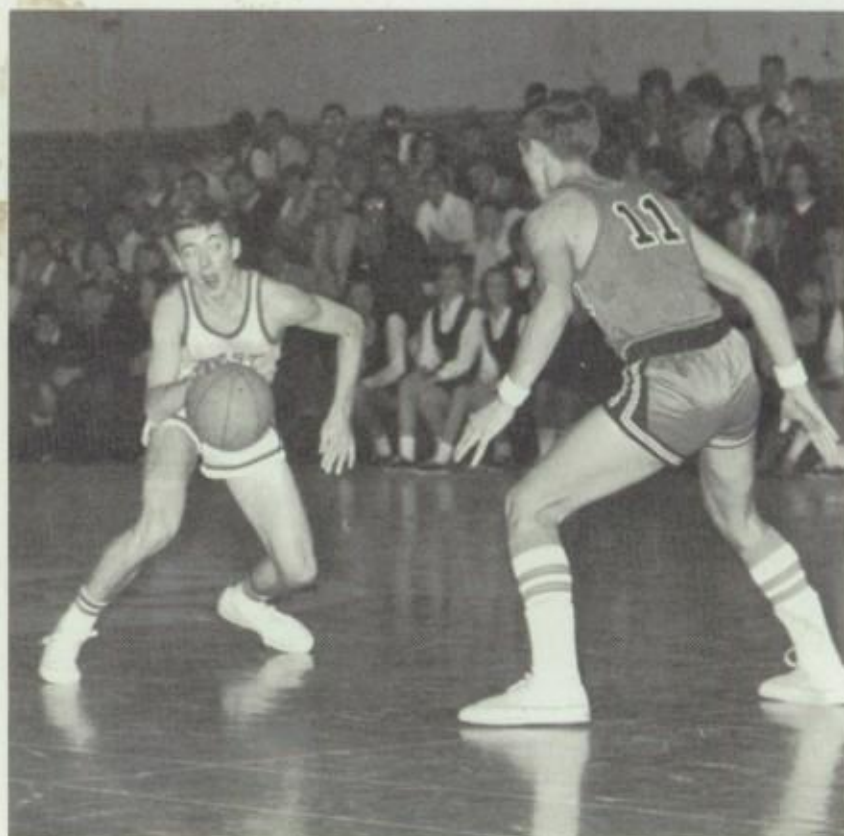

A loose ball falls just outside Captain Carmichael's reach.

Co-AA-titlest West and South split their game with West winning the first one. With West's defense allowing South only 10 points in the first half, West won 71—50. McMahan finished the game with 24 points and Jack Minton added 16. In the second game, a great individual effort was made by Ott Knight who tallied 26 points. They downed West 62—50. West turned back Powell 78—69 in their first meeting of the year. The Panthers avenged their early season loss with a 46—45 upset of home standing West. Austin fell twice before Rebels 85—58 and 84—67. In the first game, Tom Carmichael tallied 18 points and Jack Minton and Lance Cooper added 15 and 14 points respectively. Tying for high honors in the second game were Tom Carmichael and John Luttrell with 15 points each. "The old gray mare just ain't what she used to be." The alumni tried hard, but fell before the Rebels 70—55. David Bosse scored 30 points and Butch Wheeler added 20 points to the Rebel cause. Eddie Mee was tops for the grads with 12 tallies. West lost both Catholic games with scores of 73—55 and 53—40. In the first game, the Rebs took an early first quarter lead but faltered in the second half. Catholic led all the way in the second game and literally ran over the Rebs in the second half.

At half time Coach Ganz inspires the boys for the final quarters with one of his typical pep talks.

West Wins Sportsmanship Trophy

West lost the first East game 55—46 but pulled a major upset in the second game by beating the Mounties 59—54. The Rebs trailed throughout the game but gave East a scare when they nearly tied it in the third quarter. In the upset, Tom Carmichael got 17 points and Jack Minton got 14 to lead the Rebels to victory. West bowed to Karns 49—47 in a thrilling ball game. West was behind by two points late in the game when the clock went out. The official scorer decided only ten seconds were left and thus sealed the fate of the Rebels. Tom McMahan's 14 points led the team. Winning 53—49 in the second outing, the Rebels showed who had the better team. Tom Carmichael and John Luttrell teamed to lead the scoring with 15 and 14 respectively. The Rebels started the District 6 Tournament off right by defeating Central 70—61. John Luttrell and Tom Wilks played outstanding games both scoring 18 points. Wilks, as playmaker, probably had his best game of the year. The tournament action climaxed a fine year for the Rebel roundballers and ended the high school basketball career of this year's seniors.

Second team All K.I.L. Jack Minton heads for the basket.

For the second consecutive year, West High was awarded the coveted WROL Sportsmanship Trophy. This trophy is awarded annually to the school whose fans and team display the best sportsmanship during the District Six Tournament. The significance of this award is often overlooked, for the award reflects not only the outstanding character of the team but also that of the entire student body.

B-Team and Freshmen Progress

The 1966-67 B-team, under the direction of Coach Bayless, finished the season with a 4—17 record. Although they failed to win many games, the Baby Rebs showed much improvement as they ended the season by finishing fourth in the B-team tournament. Fletcher Kelly, Eddie Seiber, Lee Mayshark, and Al Fanjoy showed outstanding potential throughout the season and should develop into fine varsity players.

Under the coaching of Mike Gregory, the boys on the freshman basketball team progressed in the basic fundamentals of the game. With emphasis on gaining experience and acquiring more skill, the freshman boys completed their 12 game schedule with a record of 2—10 and then looked forward to next year when they will be playing B-team basketball. Pete Waller, Larry McCroskey, and Robbie Carroll, were standouts during the season and will probably be varsity players in the near future.

B-Team Cheered Exuberantly

The B-team Cheerleaders, composed of sophomores Debbie Newell, Becky Venable, Ann McCallum, and freshmen Sandra Valentine, and Paula Clark provided the baby Rebel fans with never ending enthusiasm and support. Debbie Newell and Becky Venable served as captain and co-captain respectively. Alternates Sharon Baldwin, Pam Thompson,

and Pam Abbott were always ready to cheer whenever needed. Not only did they cheer at the B-team games, but they also assisted the varsity cheerleaders at pep rallies. Because they were chosen in the late fall, the B-team cheerleaders practiced many long hours after school learning and perfecting the cheers in preparation for the coming games.

Trying to ignite a baby Rebel rally, the cheerleaders yell, "Baskets, baskets, baskets, boys, you make the baskets and we'll make the noise!"

Alternates, KNEELING: Sharon Baldwin. STANDING: Pam Thompson and Pam Abbott.

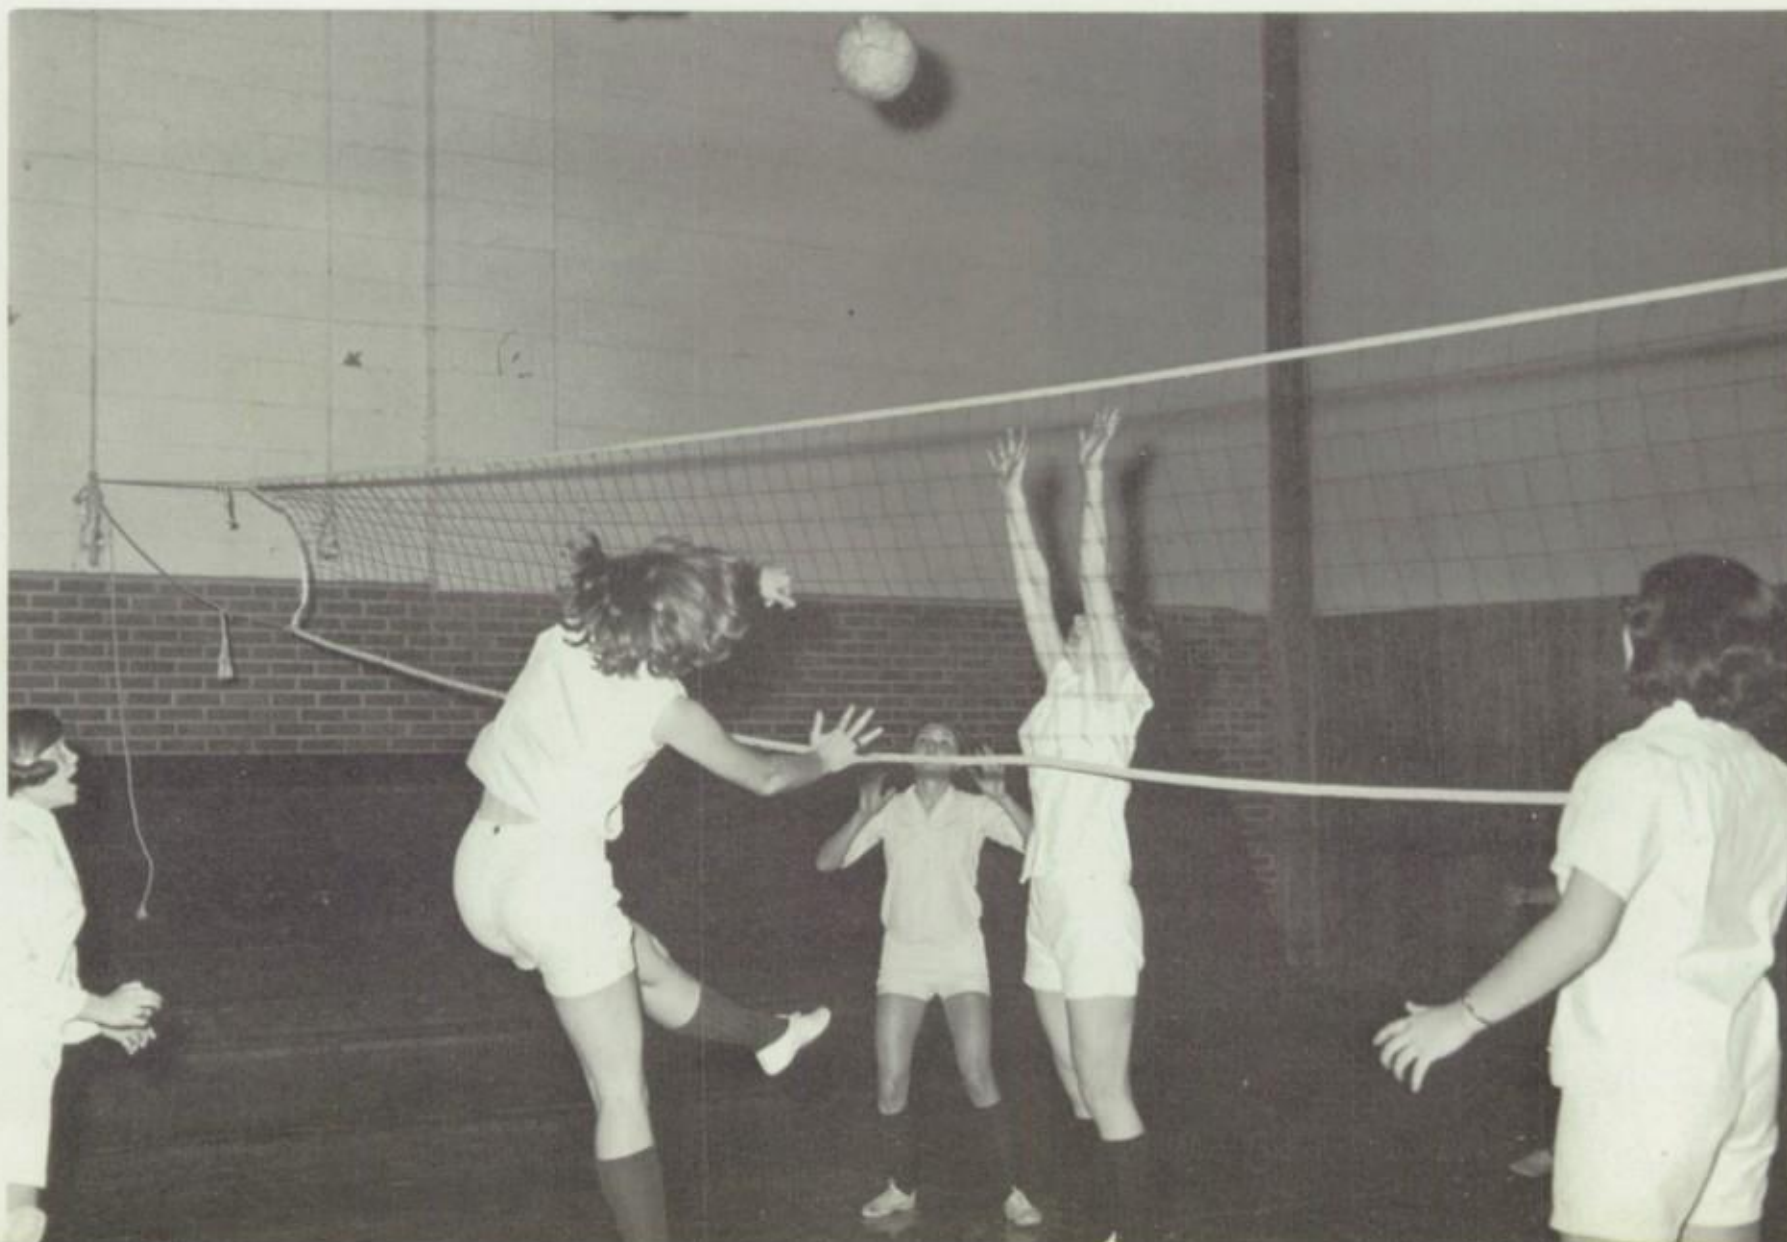

Mrs. Line's 1967 edition of the volleyball team will have a great deal to live up to. The 1966 team won the city championship defeating Young 35—5, South 20—18, and East for the championship 22—20. Mrs. Line chooses the team by watching her gym classes and the independent teams perform. As very few girls can be members, it is a very high honor to be chosen. Many hours of practice are spent in preparing for the city tournament. Coach Bayless usually spends several practices with the girls teaching them the art of "spiking". The girls returning from last years team are Robbie Hickman, Becki Ford, Vicki Hindman, Cynthia Creech, and Alice McKenzie. The other members are Claire Cassell, Marcia Caller, and Peggy Schaich.

State Record Holder

178' 33/4" Throw Sets Record

The West track men opened the 1966 season with a defeat at the hands of the Fulton Falcons 88—40. James Hudson and Tom Carmichael lead the Rebs by placing first in the shot put and discus respectively. Larry Hargis added seconds in the 880 and mile. West finished second in their second meet of the year as South scored 99, West 38, and Bearden 23. Tom Carmichael and Fred Downs paced the Rebels, as Tom finished first in the discus and second in the shot put with Fred grabbing seconds in the 100 and broad jump and tying for first in the high jump. The thinclads bowed in a close one to Catholic 71—56. Larry Hargis and Tom Carmichael each scored two first places. Larry won the 880 and the mile and Tom won the discus and shot put. Randy Meacham cleared the high hurdles for a first also. The first victory of the year was recorded against Rule 76—51. Fred Downs won his specialties, the high jump and broad jump, while Tom was breaking the school discus record with a toss of 154'. Winning firsts for the Rebels were Stanley Cash in the 440, Randy Meacham in the high hurdles, David McCarroll in the 880, and James Hudson in the shot put. West got their second straight win with a 71—51 victory over Powell.

As his throw approaches, James Hudson takes his sweats off.

Randy Meacham, Fred Downs, and Stanley Cash, all scored two firsts in the meet. Randy won both hurdles, Stanley won the 220 and 440, and Freddie won the high and broad jumps. Tom Carmichael and James Hudson added first in the discus and shot put respectively. In their last regular meet of the season, West was beaten by Fulton and East in a three-way meet. Tom Carmichael established a new school record with a winning discus throw of 159'. Jim Bletner added two second places in the hurdles. In the K.I.L. Meet West had a fifth place finish, which was the highest finish in several years. Tom Carmichael topped all other competitors in the shot and discus. Randy Meacham placed fourth in the high hurdles and the 440 relay team placed fourth. In the District 3 Meet the cinder-men had a fine performance placing fourth. Stalwart Tom Carmichael placed the Rebs taking first in the shot put and second in the discus. Jim Bletner placed third in the high and low hurdles. Larry Hargis finished second in the 880 run and Stanley Cash ran fourth in the 440 dash. In the Regional Meet only Tom Carmichael was able to score, taking second in the discus which qualified him for the State Meet. Tom not only won first place in the meet, but attracted considerable attention when he broke the state record with a tremendous toss of 178' 3 3/4".

Seven Lettermen Return

Sweeping away from the starting block, Jim Bletner, 3 year track letterman, begins the first leg of the 880 relay.

The 1967 thinclads looked forward to an improved season. With seven lettermen returning, Coach Bayless's team provided strong competition for the area teams.

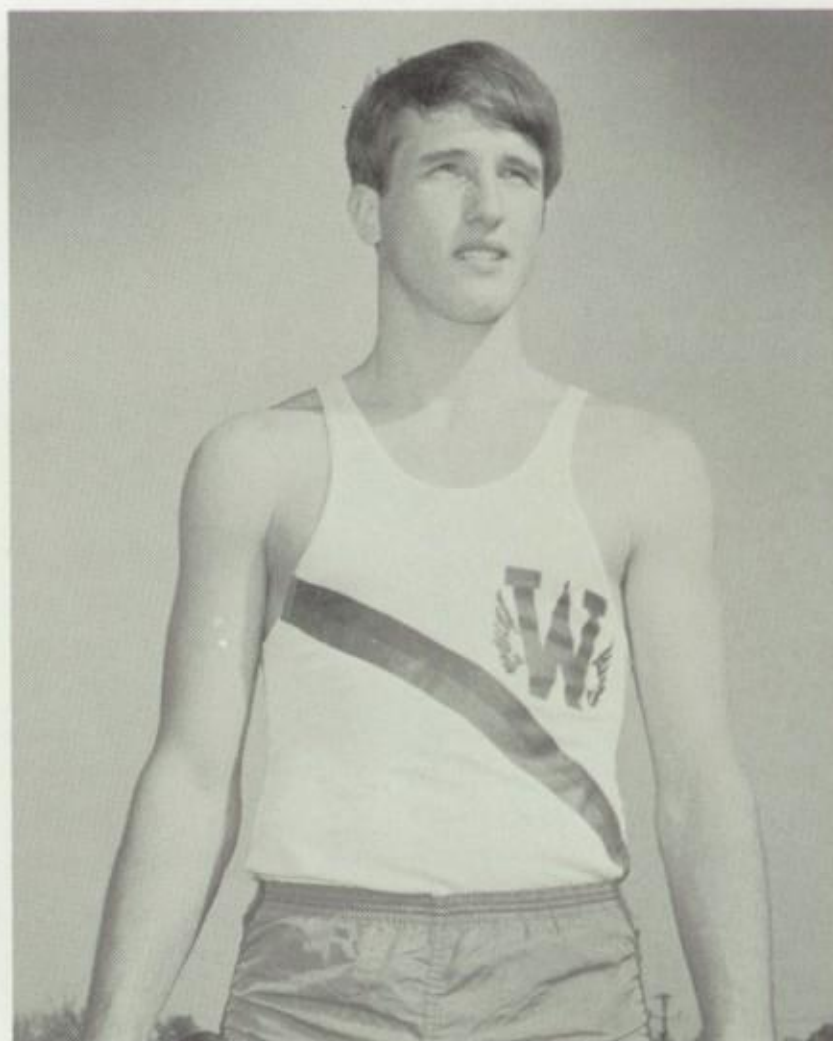

The field events were the Rebels strongest point. Tom Carmichael, state record holder in the discus, James Hudson, and James Chandler gave West three excellent shot put and discus throwers. High jumper and broad jumper Fred Downs always showed up well.

The runners were headed by hurdlers Randy Meacham and Jim Bletner, who were back for their third year in the area track wars. These two gave the Rebels one of the best hurdling duos in the city. The short sprints, the 100 and 220 yard dashes, were in the able hands of veterans Fred Downs and Charles Traugott. The Rebels were loaded with long distance talent. Top threats were Richard Martin and Edwin Riddle. Cross-country runners Mike Dockery, Mike Ellington, Stanley Cole, and David Thompson gave West much depth and experience.

Opening their season in early March, the track team ran until May. The team since coming under the direction of Coach Bayless has improved its standing against area teams, so that it can once again be ranked among the top contenders.

Mike Ellington and Stanley Cole strain for a perfect handoff.

State discus record holder, Thomas Carmichael.

1966 Baseballers Finish 6—3—1

Tommy Wilks makes a putout at third.

The West High baseball team for 1966 finished a rainy season with a record of 6—3—1. Although wet grounds caused postponement of many games, the Rebels played well against area competition. Highlights of the season included the trouncing of arch-rival Bearden twice, Dave Bosse's no-hitter against Farragut, and the two defeats against champion Young.

The Rebels were short on pitching this year as Steve Ownby, sensational as a sophomore, was ineligible. David Bosse proved the workhorse of the staff and compiled an excellent 6—0 record. Ralph Coker, Gunby Rule and Darrel Thomas pitched whenever needed. Hitting was no trouble, for the team was rich in this department.

West was honored by the selection of six K.I.L. Allstars from its team. Dave Bosse, Tommy Wilks, Tom McMahan, Danny Raper, George Bishop, and Rodney Shu were the lucky players chosen for their outstanding performances.

Rebels Upset Young

Coach Gregory considers a change of pitchers during a Central rally.

The West High Rebel baseball team had a good solid year and finished third in the Western Division. Although the Rebels failed to win all their games, they looked and acted like a veteran ball club in every outing. The Rebels opened the season with a 6—5 loss to Farragut. West went ahead in the opening innings, but in the last inning Farragut scored four times to take the win. Later in the season West more than avenged their first loss by defeating Farragut 7—0. With David Bosse pitching a no-hitter and striking out 14, the Rebels literally ran over the Admirals. In the second game of the season West lost a 4—3 decision to Central. The Rebels trailed the Bobcats 3—1 until the top of the seventh when they crossed home plate twice to tie the score. In their half of the seventh Central scored once to take the game. In their second meeting West fought Central to a 2—2 tie. West took both games from Bearden, the first 5—4 and the second 6—4. In the first game David Bosse led the team to victory by striking out 12 men, while Dave West homered to bring in two runs. The second Bearden game was won on a two run single in the tenth inning by Ralph Coker. The Rebels also took both games from Young with scores of 4—0 and 7—4. In the 4—0 decision Dave Bosse pitched a 3-hitter to defeat the previously unbeaten Young Yellow Jackets. In the 7—4 game the Rebels scored 5 times in the first inning to again defeat the league leading Young High squad. The first game with Powell proved to be an out and out rout with the Rebels winning 15—1. In the last game of the season, however, Powell took revenge and dealt the Rebels a 6—3 loss. Considering everything the Rebels baseballers can be satisfied with a well played season.

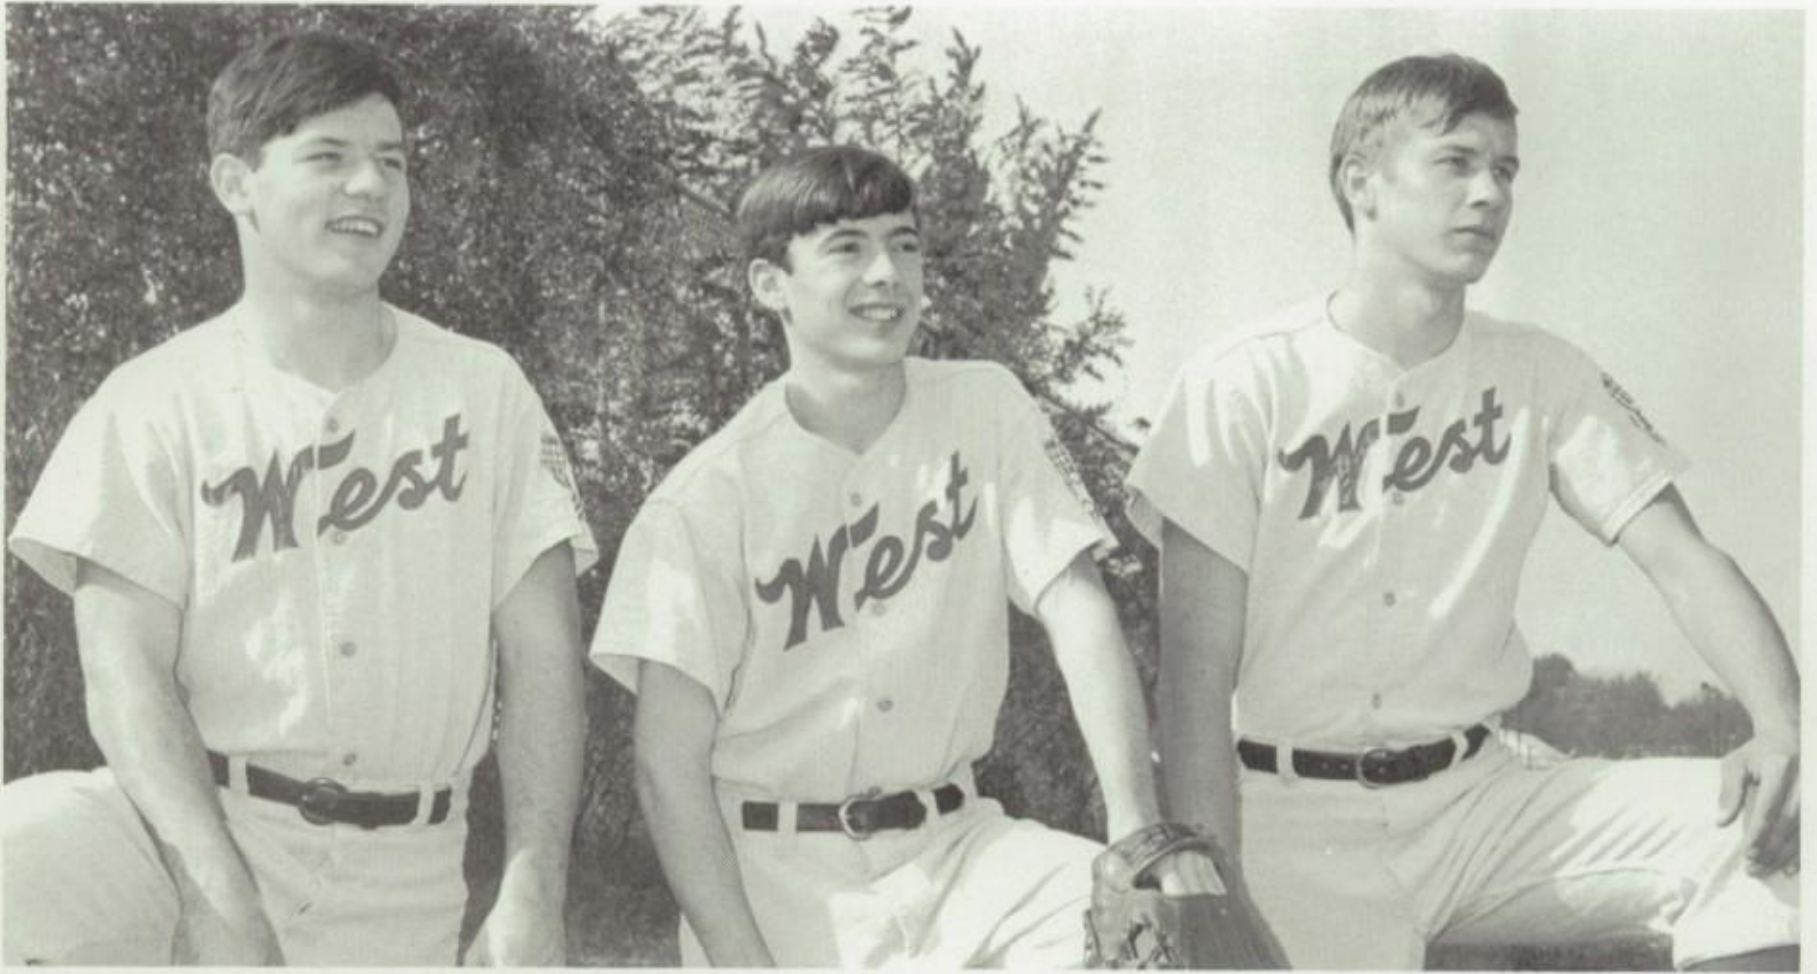

A sharp single to right by Tom McMahan drives in the winning run.

1967 Baseball Team Boasts

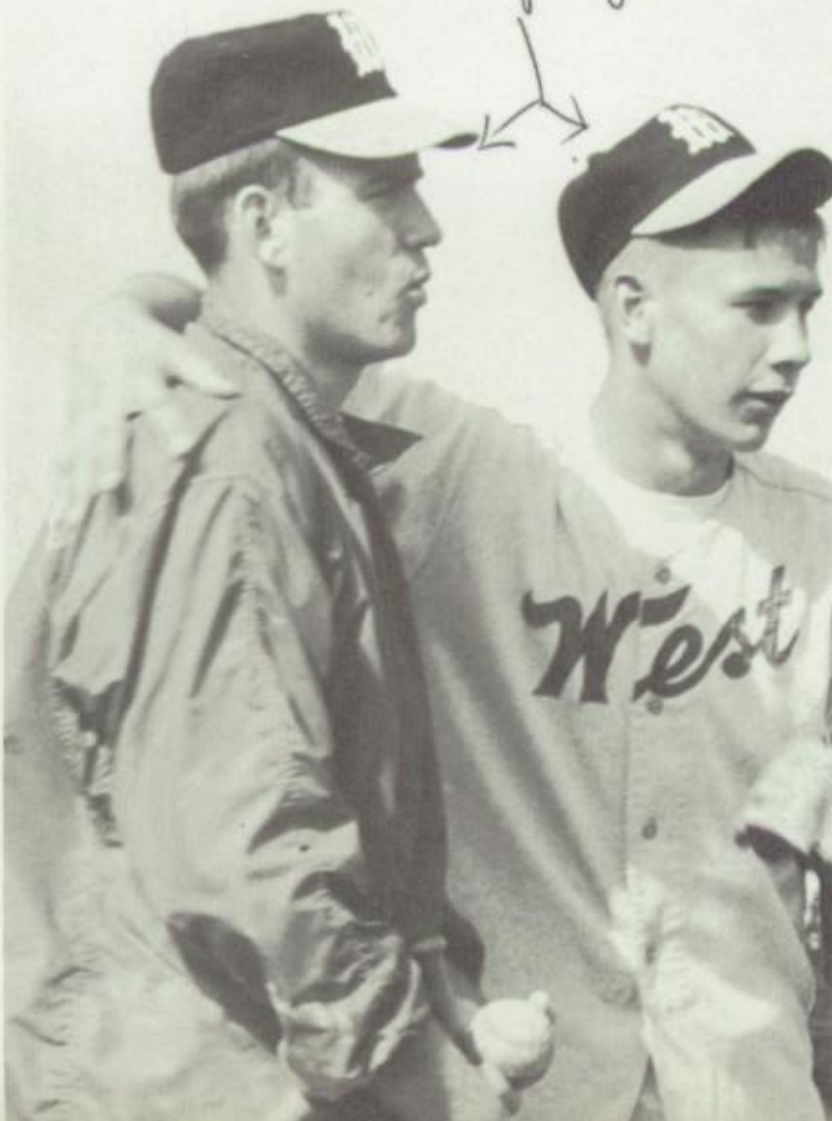

1966 All-K.I.L. performers Tom McMahan, Tom Wilks, and

David Bosse provided the squad with leadership.

Elated by his no-hitter, David Bosse clowns with Coach Gregory after the last Farragut player was struck out.

I'll do anything to play!

Getting the "take" sign from Coach Gregory, clutch hitter Ralph Coker watches the pitch come over the plate for a called strike.

3 All-K.I.L. Performers

The West High School baseballers, who finished high in the Western Division last year, look forward to a most successful season, perhaps one of the best in the school history. Many veterans return and, along with a few outstanding boys from Tyson Junior High, the team should be well rounded at every position. The infield is pretty well set. Newcomer Eric Sublett or second year man Bill Clapp could break into the line-up at first base. Veterans returning in the infield include second baseman Rodney McConkey, shortstop Ralph Coker, and third baseman Tommy Wilks. With the exception of Sublett, all these boys have seen much action at their respective positions.

David Bosse, who was 6—0 last year and a member of the All K.I.L. team, leads the pitching staff. Steve Ownby returns after a year of ineligibility.

The outfield and the catching are the only positions which are up for grabs. Jimmy Ferguson, a sophomore, and Tom McMahan will battle for the catching position. McMahan, a K.I.L. all-star and possibly the best hitter on the club, will also be used in the outfield. Hold overs from last year's team Billy Long, Barry Parton, and Phil Abbott, will round out the outfielders.

Coach Mike Gregory, starting his second year as head coach, has worked hard molding a fine team. Except for a few times last year, his record has been very good. He is certainly looking forward to this season with high hopes and to great improvement by each member of the squad. With much work by each member of the team, West High could develop into the baseball team to beat this year.

As Ralph Coker backs him up, Tom Wilks grabs a hot grounder.

Dave Bosse winds up for a fast ball.

Second Baseman Rod McConkey tensely grips the bat.

Second in City-County Meet

The West High Cross-Country team under the direction of Coach Jay Bayless ended their season with a second place finish in the City-County Championship. This seemed only a fitting award for hard work and time which the boys gave. One was not surprised to awake in the morning and find a cross-country boy running through their yard along Cherokee Boulevard. Every morning the boys would work out before school, but that wasn't all. Every afternoon the team would go back to the boulevard for more training. These dedicated boys were Tom Blake, Mike Dockery, Richard Martin, Mike Ellington, Stanley Cole, and David Thompson.

During the season great strides of improvements were shown by the team. Richard Martin ran the season's best time, covering the two mile distance in 10:50. Mike Ellington and Freshman Stanley Cole improved so much that by the end of the season they were pushing Martin for number one position on the team. With sophomores Mike Ellington and David Thompson and freshman Stanley Cole returning for the next two years, Coach Bayless will have the nucleus of an outstanding team.

The team anxiously awaits the start of the race.

Skaters Win Fourth Title

Captains Bliss Pierce, Danny McDonald, and Steve Lewis.

Once again, Coach Eden McDonald's hockey team finished the season undefeated. This was the third year in a row that the icemen remained unbeaten, and the fourth year in a row that they have won the city championship. The Rebels had many standouts this year and some of these were honored by being chosen for the Junior Knights team. These team members were Bliss Pierce, Wallace Smith, Danny McDonald, Mike Cross, Steve Lewis, and Randy Sprouse. These boys with the other Junior Knights took several road trips north and competed with some of the northern high school and college squads. Danny McDonald lead the team in scoring. The Rebel bladesmen more often than not completely shut out their opponents. Their defense was often able to hold their opponents out of shooting distance but when a shot was made, Goalie Jim Ferguson usually kept it out of the net. Along with the Reb Junior Knights and goalie Ferguson, Bill Dempster, Rick Webster, Steve Mayo, Bob and Jim Bennett, Buddy Wolfe, Madison Cox, and Kenny Patterson rounded out the 1966-67 squad.

New Members Boost Golf Hopes

On the 18th green, Bill Acres sinks an eight foot putt.

Though losing all their matches last spring, the Rebel linkmen proved to be stiff competition in every outing. This may be proven in that they lost to the state power Halls by a single point. The team included seniors John Mills, Sandy Gillespie, and Mike Avery, and juniors Ernie Shipe, Bobby Diftler, Charlie Clark, Bruce Zucker, and Tommy Arrowood. The team practiced daily at Cherokee Country Club and played their matches at the various courses around the city. With the acquisition of new members David Edgerton, Bill Akers, Bobby Weaver, Lee Mayshark, Doug Broome, Steve Mayo, and with the return of six players from last year the 1967 golf team can look forward to an improved record.

Top State Players on Tennis Team

While it is raining outside, Pat and Dena Garcia practice their strokes.

Lead by top competitors Dena and Pat Garcia, the 1966 tennis team finished a fairly successful season with wins in about fifty percent of their matches. Although the boys team did not have such widely acclaimed stars as the Garcias, they always gave their opposition a hard time. The 1966 league competition was provided by Fulton, South, McMinn, Farragut, Webb, Central, Young and girls only against East. During the season, all team members played singles and doubles. In the tournaments, however, they could only play in one division of competition. The season was climaxed by the state tournament where Helen Dean, Harriett Line, and Cleve Moffet reached the semi-finals.

Swimmers Train for City Meet

Captains: Becki Ford and Rod McCallum.

Under boys captain Rod McCallum and girls captain Becki Ford the Rebel swimming team developed into one of the strongest in the city. Starting early in the year, the swimmers practiced every Wednesday afternoon at the Y.M.C.A. preparing for their meets in the spring. With Suzanne Rowntree, Nancy Stair, Louise McAmis, Sally Weeks, Judy Malcolm, Carol Slagle, Mike Snyder, David Melgaard, Franklin Hubbell, and Bill Baker as regulars the Rebel swimming team always proved to be stiff competition for the local schools. The team's final event was the city meet in which they tried to better last years third place finish.

As the girls watch, Melgaard, Baker, and McCallum practice their starts.

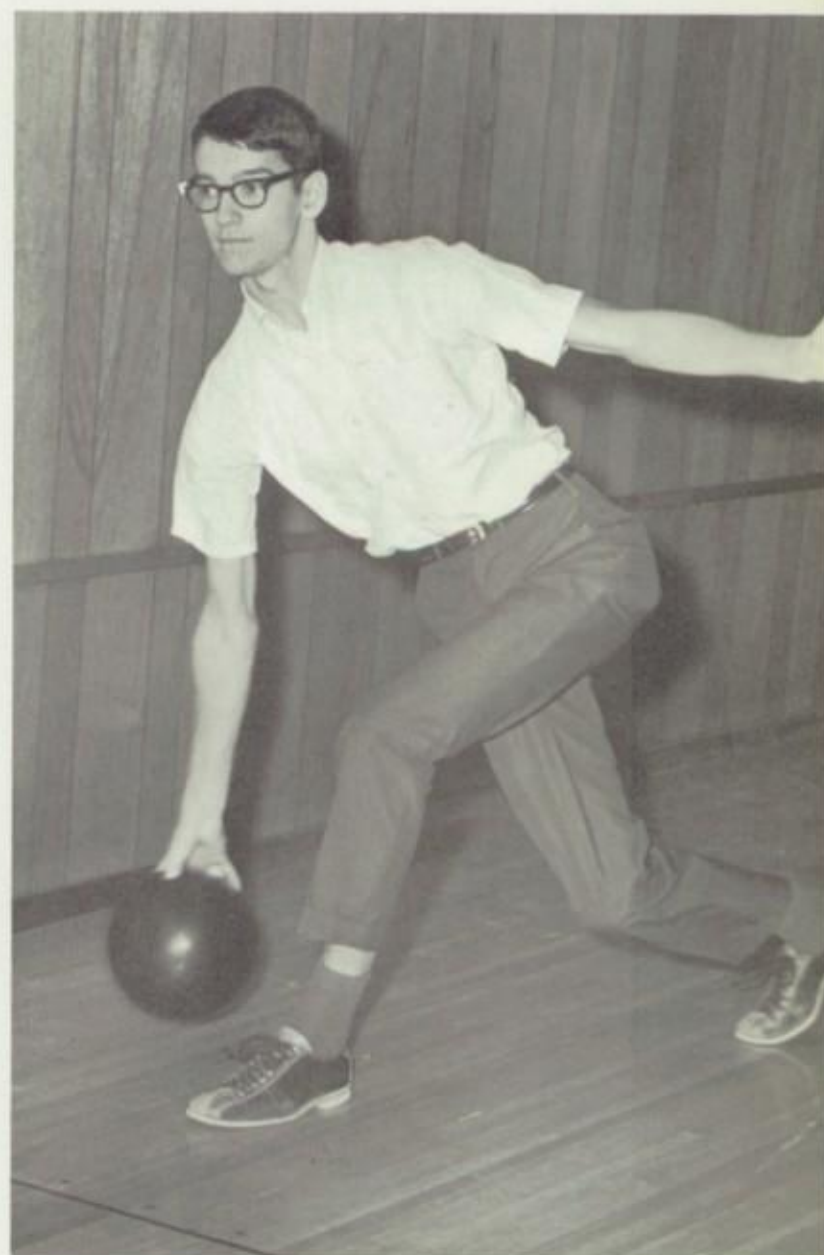

Keglers Defend Championship

The 1967 bowling team under the direction of Mrs. Corneilia Payne finished another year of competition in the K.I.L. League. Bowling each Sunday from October to March at Western Plaza Bowling Alley, they faired well against the area competition. Although they failed to equal their 1966 finish when they won the league championship, the team placed high in the standings. Several times the team upset league leading squads, making sure no one took them lightly. The team was captained by senior Mike Dockery. The other team members were seniors Jim Bletner, Billy Long, Edwin Riddle, and Judy Rosamond, junior Ridge Whitehurst, and freshman Richard Kefauver.

Franklin - This year has been great - but different
 Cutest, most understanding boys I have ever known
 haven't been together all that much it seems
 Never forget all the great times we've had ---
 around, at Shoney's, and the Big Kapital! You
 two people closest to me, I just don't know
 you have been patient to the fullest extent
 where I've needed you most. I can understand

The clock read three-forty; however, the building was not empty. In one room the Pep Club discussed future activities; in another room articles were being copy-read for Friday's newspaper; down the hall staff members were busy writing captions for annual pictures; the cheerleaders and football team practiced for the big game. School was over and yet the activities had just begun.

Extra curricular activities played an important role in the life of each student. Such activities provided enjoyment plus active participation in fields of special interests; they broke the daily routine of study.

The activities were numerous and varied; each one benefited the students and school, and often added to the entire community.

SRA Continued to Improve

Doug Naugher explains constitutional revisions.

This year, under the capable direction of President Doug Naugher, the S.R.A. sponsored many school projects and helped to enliven school spirit. As the name suggests, the Student Representative Assembly, West's student council, is a democratic organization which seeks to link the students, faculty, and school.

Each homegroup elected two students to represent them in the S.R.A. The president was elected by the entire student body. The weekly meetings were conducted by the president with the helpful advice of Mrs. Hina and Mrs. Daniel, the faculty advisors.

This vital service organization, trying to involve all the students in its activities, sponsored many projects during the year. These activities included publishing the Rebel Handbook and the Rebel Record, and sponsoring a tea for the faculty, the Homecoming Dance, the United Fund Drive, the "S.R.A. Shindig," Twirp Week, and American Field Service Day.

The S.R.A. officers make plans for one of their many projects. President Doug Naugher explains to Vice President, Pam Smith; Secretary, Bonny MacDonald; Treasurer, Jim Bletner.

S.R.A. members keep chart of the incoming money from the United Fund Drive. West was first in the city to attain its goal.

West High's Key Clubbers put in many extra hours of hard work cleaning up the stadium after all home football games.

as a Vital Service Organization

The Key Club of West High began it's year of activities and projects by taking on the job of cleaning the football stadium after games. Under the leadership of David Melgaard and the sponsorship of Mr. Good, the members did extensive planning and hard work to serve the school and the community in an effective way. Some other projects undertaken by the Key Club were selling programs during basketball season, collecting for muscular dystrophy and sponsoring a faculty banquet. Several of the members learned more about our systems of voting by helping during the November election. However, the main project of the Key Club was present at the annual Career Week in which students were able to learn more about various fields of interest. The qualifications for Key Club membership are leadership, scholarship, and sportsmanship. The year's Key Clubbers have proved that they are truly worthy for membership.

AFS Linked American Interests to Those of Foreign Countries

A.F.S. sent West High student, Sally Weeks, to Holland.

This year Sonia Fabara from Quito, Ecuador, was West's American Field Service student. Sonia arrived in Miami, Florida, on August 25, 1966, where she met her adopted parents, Mr. and Mrs. S.S. Cassell and her sisters, Claire and Betty. After visiting a few days in Miami, the Cassell family soon returned to Knoxville ready to begin a new school year. We at West certainly enjoyed having Sonia as our A.F.S. student and feel sure that she gained a deeper understanding of the American way of life while she was here.

In addition to hosting an A.F.S. student, West also had one of her own students, Sally Weeks, to go abroad for the summer A.F.S. program. Sally lived with Mrs. A. J. Margadant-Versteegh and her daughter Vicky in the Netherlands. When Sally gave her chapel talk, she sounded as if she thoroughly enjoyed her visit to the Netherlands.

Even though Sonia studies hard, she still finds the time to attend the basketball and football games.

Sonia points out the location of her home in Ecuador to her American sisters Claire and Betty Cassell.

National Honor Society Chose 16 New Members

The National Honor Society is an organization of outstanding scholars and school leaders. To meet the standards of the National Honor Society, each member must possess leadership, scholarship, service, and character. These qualities have been developed over four years through hard work and persistent study. The society consists of approximately 15% of the senior class. Each spring, 5% of the junior class is inducted, composing the nu-

cleus of the society. From this first group, the club officers are elected. In the fall of the following year, 10% of the senior class is chosen by the faculty.

Some of the continuing practices of the National Honor Society include honoring an outstanding freshman and sophomore, and distributing ribbons for first and second honors at the end of each six weeks. Membership in the National Honor Society is one of the highest honors a student can attain.

N.H.S. officers discussed selling West High stationery as one of their many honor society projects.

National Honor Society ribbon day was designed to honor students who achieved first and second honors.

Westerner of 1966-67 Was

We, the 1966-67 Westerner Staff have truly worked with eagerness and determination to produce this annual for the students of West High School. Each member of the staff has shown his will and desire to make this Westerner the one to remember. Although each staff member's job was different, we worked together to cover each phase of school life at West. Mrs. Hooper, the "great woman" behind the staff, worked with unbelievable patience and warm encouragement to push us on when we felt discouraged. We certainly do want to thank her for her much-needed advice and reassurance.

Rod McCallum, as editor, and Joyce Zirkle, as assistant editor, guided the production efficiently from start to finish. Other department editors who contributed much time and energy for it's completion were Pam Smith, Louise McAmis, and Harriett Line, literary editors; Vicki Hindman and Libby Bowman, advertising editors; Jim Bletner and Larry Burton, sports editors; and Cheryl Evans and Helen Dean, circulation.

As we looked over the '67 Westerner, the staff felt a great sense of pride and accomplishment. We hope that it will bring back many fond memories of the year 1966-67 at West High.

The West Wind is a bi-weekly publication which is edited entirely by West High School students. It's features, sports articles, new items, and editorials reflect the activities and voices the opinions of students at West.

Dick Duffy, a junior editor, had a hardworking staff composed of Barbara Burke, managing editor; Carl Tulloss, news editor; Jo Ann Hardin, feature editor; Ernie Shipe, sports editor; Bonny MacDonald and Carol Oakley, copy editors; Don Dudenbostel, photography editor; Sharon Murphree, art editor; and Donna Clayton, exchange editor. Mrs. Tamara Trimm is responsible for co-ordinating the staff.

As Robert Southey once said—"Literary fame is the only fame of which a wise man ought to be ambitious, because it is the only lasting and living fame." The West High Quill and Scroll may not have had any Ernest Hemingways, but they certainly had a spark for writing.

Quill and Scroll is an international journalistic honor society for outstanding students in the field of journalism. The faculty chose students from

the WESTERNER and WEST WIND staffs with high scholastic averages. Under the sponsorship of Mrs. Tamara Trimm, members gained valuable experience in writing, while they strived to improve the school publications. Jim Bletner, president, led the club with the assistance of Bonny MacDonald, vice-president; Marcia Caller, secretary; and Claire Cassell, treasurer.

FRONT ROW: P. Austin, N. Taylor, B. Cupp, J. Bunch, D. Bradley, D. Roach. **BACK ROW:** Mrs. Cooper, C. Yard, S. Rightsell, J. Gilliam, M. Carmichael, N. Underwood.

The library assistants at West High rendered valuable services to the librarian, the library, and the school. They spent many long hours shelving books, checking them in and out, sending fine slips, helping other students find reading and research materials, and taking inventory at the end of the year. These workers are selected by Mrs. Cooper, our librarian. The library assistants truly worked with patience and determination to make West High School's library run smoothly and efficiently.

The Distributive Education Club prepared its members with valuable experience necessary in the world of business. It was composed of students interested in studying retailing and selling. They received actual on-the-job training in the afternoon, after attending classes.

The club took part in several projects and supported basic aims of self-confidence in the members, a spirit of co-operation, and a better understanding of the amenities requisite to leadership and service.

D.E. Students Prepared for Future— Guidance Workers Aided Mrs. Hina

Mrs. Hina would have had a hard time managing the guidance office if she had not had the assistance of volunteer guidance aids. They helped to relieve her of the many time consuming jobs

involved in running the guidance office. During study halls, these assistants, came to Mrs. Hina's office to do clerical work, to file, to distribute test pamphlets, or to run any errand for Mrs. Hina.

The students and faculty were entertained on various occasions by the West High choir. Studying different types of music under the leadership of Mrs. Betsy Wilhite, the choir members gained a wide variety of songs which were presented during these musical programs.

This year the choir performed in new robes. Selling candy to raise money for the robes exemplified the enthusiasm of the singers.

Through talent, co-operation, and desire, the choir was able to give excellent performances.

Rebel Band Sparked Enthusiasm— Store Assistants Furnished Supplies

Drums rolled at kickoffs.

The band waited anxiously for their half-time performance.

The West High band, composed of forty musically-inclined students and directed by Mr. William E. Smith, showed their remarkable ability and skill in execution by playing at various and sundry football games, concerts, and special assemblies. Among their numerous activities were participating in the annual Youth Appreciation Week

Parade and attending the band festival at the University of Tennessee. The members were conscientious and desirous of making West's band one of the best. They agreed that these occasions have been most enjoyable, and they are looking forward to even more exciting activities in the future years here at West.

The store assistants, supervised by Mrs. Beverly, were a great help to every student at West. These students rendered their services during their study hall and homegroup periods. They not only sold school supplies such as paper, pencils, and erasers, but also health articles such as cough drops and kleenex. The store assistants, while getting training in selling, performed an indispensable service.

Store Assistants are: Barbara Blalock, Janet Stinnett, Loretta Johnson, Linda Hill, and Linda Dockery.

Fans and Players Boosted Spirit

Pep Club members offered loyal support to Rebel activities.

This year's Pep Club really had the spirit and the desire to create the enthusiasm of every student at West. Working with president Bonny MacDonald, the Pep Club performed many duties to boost school spirit. Their projects this year included selling Colonel Archibald pins, decorating the football field before every home game, selling stadium cushions, contributing money to the American Field Service program, and selling Rebel booster ribbons before every football game. Pep Club encouraged attendance at all of the football and basketball games and, by working with the cheerleaders, it was able to elevate school spirit to its highest peak. Mrs. Henson, the sponsor, fulfilled her duties by actively participating in many of the projects. Pep Club, indeed, promoted West's rising spirit and created determination and enthusiasm among the students and our athletic teams.

For the past six years, the Varsity Club has increasingly become more active. Any boy who lettered in football, basketball, baseball, or track was eligible to be a member. The Varsity Club's activities were varied and always served everyone.

Their main function was to operate the concession stands at all of the basketball games. Under the direction of Coaches Walter Ganz and Marvin Mitchell, the 1966-67 Varsity Club measured up to the standards of outstanding athletes.

Ralph Waldo Emerson once said, "There is no way to success in art but to take off your coat, grind paint, and work like a digger on the railroad, all day and every day." This seemed to be the slogan of the Art Club, which gave its members the opportunity to develop their artistic talents and also to study the lives and works of famous artists. This club met once a month under the leadership of Helen Mintz, president, and Mrs. Conklin, sponsor. Some of the projects included raising money to buy extra art materials and decorating baskets for needy families which were distributed at Thanksgiving.

"Say cheese!" This seemed to be the motto of the members of the Photography Club. Under the leadership of Don Dudenbostel and the sponsorship of Mr. Hardin, this club explored many aspects of photography through working with cameras and

hearing guest speakers. They also worked in the darkrooms developing film and making prints. Meeting twice a month, the members of this club developed their skill and increased their interest in all aspects of photography.

Language and Science Clubs Added Enjoyment to Studies

Spanish Club Officers **FRONT ROW:** W. Davis, C. Emerson, H. Thacker. **BACK ROW:** D. Garcia, B. Thacker, S. Stewart, E. Wallace, J. Green.

"Bonjour Mademoiselle and Monsieur!" and "Como esta usted?" were the favorite greetings of the members of the French and Spanish Clubs. Students who participated in these clubs gained a keener insight into the people, language, and culture of their respective countries through movies, special reports, and an occasional guest speaker. These clubs, led by Mrs. Payne, met once a month during their regular class periods. Fudge or cookies provided by the daring students who were caught chewing gum added to the enjoyment of the language club meetings.

One way in which interested students could advance their knowledge through their own participation was by joining the Science Club. Meeting once a month, this year's Science Club enjoyed listening to outside speakers, performing experiments, and taking field trips. Under the leadership of Don Dudenbostel, president, each Science Club member prepared science projects in the field of their choice. Mr. Hardin, sponsor, spent much time helping its members gain a sound knowledge of the worlds of science.

F.H.A. Discussed Home Management— Office Aides Assisted Faculty

All home economics students at West were urged to join the Future Homemakers of America Club. This organization, sponsored by Miss Jett, promoted interest in related subjects by having special interviews, showing movies, and having demonstrations. Led by president Joyce Zirkle, the members of FHA received a greater insight into and a truer concept of decorating, cooking, sewing, and general housekeeping.

Each year Mrs. Wray picks a group of dependable students, usually girls, to help her in the office during their study hall periods. Some of the useful duties these students performed were typing, filing, answering the telephone, filling out

tardy slips, and taking care of the office "hospital." It would have been very difficult for Mrs. Wray to manage the office without the help of her assistants, who were always "ready, willing, and able" to offer their help whenever it was needed.

Franklin,

This year has been great! But boy am I glad it's about over!

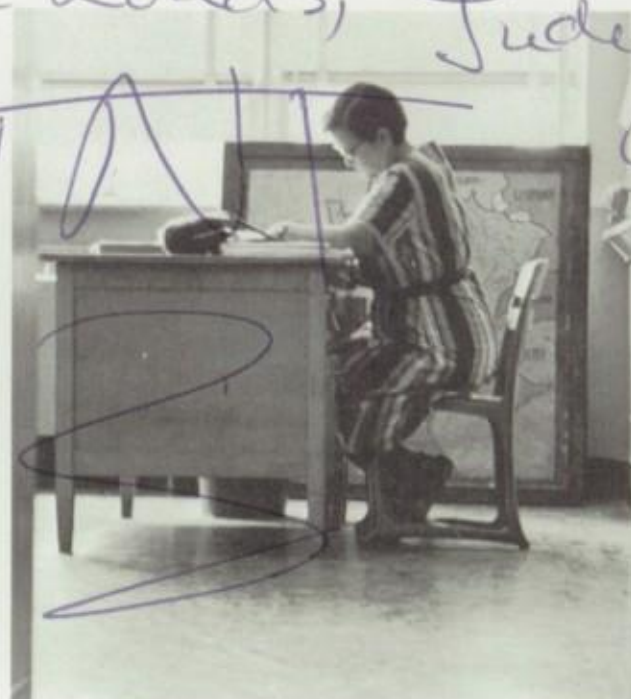

I know you'll enjoy your Senior year too - but I'm also sure you'll see what I mean when it's about over!

I've always thought you were a real good-looking boy - And you are! you're also real sweet! Stay that way!

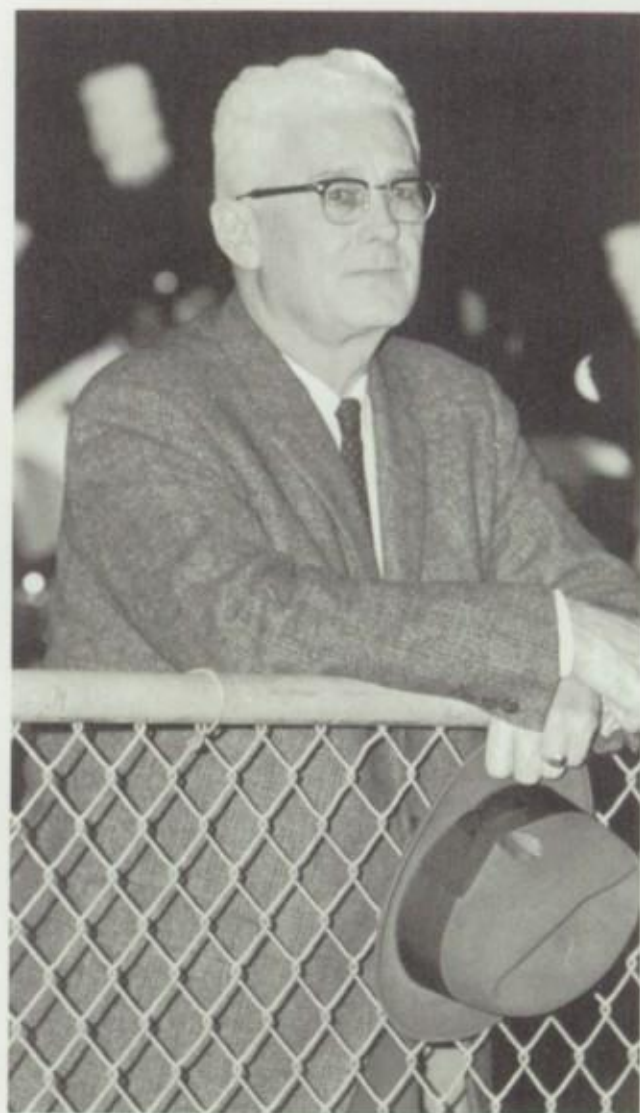

Hope to see you this summer!

Lots Luck!

Love you Loads, Judey

All of West High School's faculty deserved individual recognition for outstanding jobs as teachers. The patience and cooperation that they showed were indeed earnest and sincere. The many new additions to this year's faculty have provided an even more solid foundation for the student's background. As friends to all students, they spent many extra hours assisting with projects, helping with special problems, and sponsoring school organizations. The warm and easy-going relationship between the teachers and the students created a pleasant atmosphere in which students were better able to prepare for the challenging future.

West Expressed Appreciation

FRONT ROW: Mr. W. Howard Temple, Mr. Victor E. Arning—First vice President, Mr. Charles R. Burchett—2nd vice President. **BACK ROW:** Mr. John S. Humphreys—Secretary, Mr. Lynn W. Craig—Treasurer.

The Parent-Teacher Association of West High School, which is under the capable leadership of H. Powers Mason, is composed of interested parents, teachers, and friends of students at West. This year's PTA strived to plan programs centering around the educa-

tion and the welfare of the students. In all their programs, they attempted to secure for every student the highest advantages in physical, mental, social, and spiritual education. West High School is extremely grateful for the interest shown by the PTA.

Superintendent and Staff: **FRONT ROW:** Mr. A.C. Hudson, Dr. Olin L. Adams, Mr. Roy Wallace.
BACK ROW: Dr. Fred Bedelle, Mr. E. N. Aslinger, and H.T. Ballard.

The students and faculty of West High School are greatly indebted to the Board of Education for special interest in our school. Their outstanding effort and enthusiastic interest proves genuine concern for West High students.

We are especially grateful to school superintendent Dr. Olin Adams for showing a sincere concern for the improvement of the Knoxville school system.

Therefore, we wish to thank the Board and Dr. Adams for their contribution toward making West one of the more outstanding of the Knoxville city schools.

Dr. Olin Adams, Superintendent of Knoxville City Schools, smiles on a "snow day", when he was "forced" to dismiss students from school.

Mr. Love Supported School Functions

Behind every great school, there must be a dedicated principal who is willing to take upon himself the welfare of his school, its students, and its faculty. One of the reasons for West High School's success is that we have such a man—Mr. R.E.C. Love, our principal. Many times we, as students, get so caught up in the hustle and bustle of school life and in the pressures of homework and extra-curricular activities that we forget how grateful we should be to Mr. Love for his dedication.

Mr. Love, we appreciate your friendly smile with which you always greet us. We shall always remember your genuine interest in our school functions and in our problems, no matter how large or small. West could never find a better qualified, more dedicated principal anywhere.

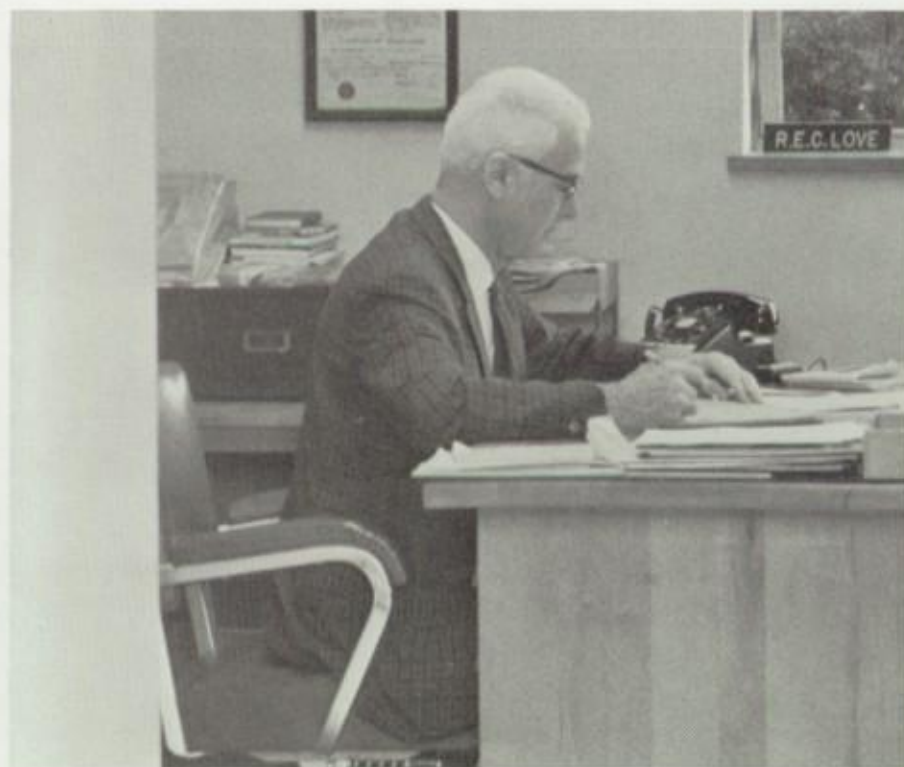

Mr. Love, the Class of 1967 sincerely thanks you for your friendship, understanding, and counseling.

PRINCIPAL

Mr. Love always finds time to attend the football games.

Mr. Love is always occupied with school business.

Students always go to Mr. Love for schedule changes.

Mrs. Wray Consoled Students and Mrs. Hina Guided Them

Who always has a bright, cheerful smile for anyone and everyone who enters the office? Who offers patience, understanding, and helpfulness to all? On top of all this, who is well-loved by everybody? Why, it's the one and only—Mrs. Elizabeth Wray, our devoted, hardworking secretary. She is constantly dropping a witty remark to relieve the monotony of the office.

Mrs. Wray really enjoys her work. She remarked, "I couldn't have ever picked any occupation I would enjoy more. I love my job and all the students at West."

Besides acting as Mr. Love's Girl Friday, Mrs. Wray is also a second mother to all the West High students. She will long be remembered by the Class of 1967.

A constant smile is always worn by Mrs. Wray.

There are very few times during the school year that the clinic is not crowded with students awaiting the guidance of Mrs. Hina. Seniors concerned about future college plans seek her advice and leadership concerning entrance examinations and scholarships. Underclassmen undecided about next year's courses find guidance and encouragement in Mrs. Hina.

Mrs. Hina has a genuine concern for the students of West High. Hours of her time are spent trying to plan schedules to please the students. Each problem becomes her personal concern.

Mrs. Hina also advises the Student Representative Assembly. Under her leadership, the S.R.A. is continually active.

With wisdom and dedication, Mrs. Hina helps us in finding happiness in life and guides us in laying the foundation for our future.

Mrs. Wray is always kind to animals.

One of Mrs. Hina's jobs is checking college applications.

"Those Having Torches Will

Mrs Wray and Mr. Love share their genuine enthusiasm for West's numerous and outstanding achievements.

After thirty-two years of dedicated service in the Knoxville City School System, sixteen of which have been at West, Mrs. Wray is retiring. No one is any dearer to the hearts of West High students and teachers alike than Mrs. Elizabeth Wray, our beloved secretary. Mrs. Wray with her warm, bubbling personality has always offered her cheerful smile and warm words of encouragement to everyone. She was always the one to whom we could go with our problems and know that she would always be sympathetic and understanding. Mrs. Wray, whose boundless energy makes her discontent with idleness, has many future plans after her retirement.

Mrs. Wray, we sincerely thank you not only for fulfilling your post as no one else possibly could, but also for giving so unselfishly of your friendship and loyal devotion to West High. We thank you for "just being Mrs. Wray."

The interested smile—Mrs. Wray's "trademark."

"Come and get it!"

Pass Them on to Others''

Plato

When summer vacation arrives, many students will lose not only an excellent teacher, but also a good friend. After years of faithful service, Mrs. Margaret Line will retire as the girls' physical education instructor. Of course she will be remembered for her rigid class training, but above this she will be remembered for the personal concern she took in each student. Her friendly disposition and wise advice won the confidence and friendship of all her students.

For her admirable record of service and the wonderful qualities she displayed, the students of West extend deepest thanks to Mrs. Line and wish her continued success.

Gym was fun for West girls, because Mrs. Line made it that way.

Miss Jett's encouragement made capable homemakers.

Preparing girls as future homemakers has long been the main objective of Miss Vesta Jett. Dedication to her work has made Miss Jett an outstanding teacher. Because of her interest in her work, she was able to create an enthusiastic interest in the field of home economics.

Miss Jett's retirement brings a sad note to the heart of many students. The girls she taught will long remember the guidance and instruction she gave them. Sincerest thanks are extended to Miss Jett for the many services she performed for West High.

Miss Lucille Evans, who retired last spring, was one of the most loved and most respected teachers ever to teach at West High School. Miss Evans, who taught in the Knoxville School System for at least forty years, was indeed a dedicated and devoted teacher. Besides having taught at Old Knoxville High School for many years, she had taught at West High since its beginning. In addition to being our faithful Latin teacher, Miss Evans also served as an advisor of the Student Representative Assembly. Because of her continuous love for West and her deep concern for the betterment of its students, Miss Evans' years at West were of enduring affection and faithful service.

Miss Evans still returns to chaperone school dances.

Faculty Made Courses Fascinating

MR. JAY BAYLESS

B.A., University of Kentucky; American Government, Psychology. West is honored to have Mr. Bayless, our track and B-team basketball coach, as President of the K.I.L. Track Association.

MR. J. A. BEELER

B.S., University of Tennessee and Milligan College; Biology. Mr. Beeler enjoys hunting and fishing when he is not busy helping students dissect frogs and study insects.

MRS. LENORA BEVERLY

B.S., University of Tennessee and Bowling Green Business University; Distributive Education, Typing, Bookkeeping. Besides being deeply interested in gardening, Mrs. Beverly is a rodeo and steeple chase enthusiast.

MISS AVAH BLACK

M.S., University of Tennessee; English. Miss Black spends much of her outside time playing bridge, and she also enjoys traveling.

MRS. ANN CONKLIN

B.S., Salem College and East Tennessee State University; Art. While she is not helping her students create "masterpieces," Mrs. Conklin enjoys painting, cooking, and reading.

MRS. EVELYN COOPER

B.S., University of Tennessee, M.L.S., Columbia University; Librarian. When Mrs. Cooper finds time to escape from our library, she finds refuge in bridge, reading, and ceramics.

MRS. CAROLYN DANIEL

B.S., University of Tennessee; English. When Mrs. Daniel is not reviewing *Silas Marner*, she finds time to knit, sew, and cook.

MR. JOHN DOWLING

B.S., Carson-Newman College; American History, Bookkeeping. Mr. Dowling especially enjoys farming and gardening when he is not busy driving facts about George Washington and Ulysses Grant into our heads.

MRS. DORTHEA EAVES

A.B. and M.A., University of Oklahoma; American History. When Mrs. Eaves gets tired of history, she spends much of her spare time in her kitchen and in her garden.

MR. WALTER GANZ

B.S., Lock Haven State College, M.A., New York University; Health. Mr. Ganz takes a great interest in all types of sports since he is our football and basketball coach. He also enjoys fishing, which relieves his mind from the pressures of coaching.

MRS. TOMMYE GAULT

B.A., Union University; Spanish. When she is not translating "muchas gracias, Señorita," Mrs. Gault likes to play bridge and enjoys working with ceramics.

MR. JAMES GOOD

B.S., East Tennessee State University; English, Speech. Since Mr. Good directs all the school drama productions, he enjoys attending plays. Another of his favorite pastimes is playing golf.

MRS. LESLIE GRAVITZ

B.A., University of Maryland; English. Outside of class, Mrs. Gravitz enjoys writing and swimming.

MR. MIKE GREGORY

B.S., Maryville College; General Science. Mr. Gregory, our baseball coach, is interested in all sports, including golf as one of his favorites. He also enjoys traveling.

MR. JAMES HARDIN

B.S., Carson-Newman College, M.S. University of Wyoming; Physics, Chemistry. When deer season opens, Mr. Hardin's students seldom wonder where he is when he is absent. Fishing, hiking, and photography are also included as his main interests.

MRS. LILLIAN HENSON

B.S., Middle Tennessee State College; Geometry, Algebra. Mrs. Henson, an avid sports enthusiast, is always challenging the abilities of West and Bearden since her husband is a Bearden coach.

MRS. JESSIE HOOPER

B.S., Middle Tennessee State College, English. Gardening, reading, and visiting her grandsons are Mrs. Hooper's main interests. She also is the inspiration behind our annual staff.

MISS VESTA JETT

B.A. and M.A., University of Tennessee; Home Economics. Because of Miss Jett's interest in home economics, she became the sponsor of the Future Homemakers of America club.

MRS. PAT JONES

B.A., Limestone College; Civics. Outside of class, Mrs. Jones enjoys using the set of golf clubs given her by her husband.

MRS. LUCILE LEE

B.A. and M.A., University of Tennessee; Geometry, Algebra, Senior Math. The many talents of Mrs. Lee include her ability to teach math, arrange flowers, sew, and cook. She also finds time to sponsor the National Honor Society.

MRS. MARGARET LINE

B.S., University of Tennessee; Girls' Gym. Because of her personal interest in students, Mrs. Line is a popular sponsor of our ice hockey, tennis, golf, and swimming teams. She also supervises the activities of the cheerleaders.

MR. ROBERT MEDLIN

B.A., Wake Forrest, B.D., Southeastern Seminary; Latin. Reading and outdoor sports occupy Mr. Medlin's time when he is not translating the Latin language.

MR. MARVIN MITCHELL

B.S., Maryville College, M.S., University of Tennessee; Boys' Gym. Mr. Mitchell takes a keen interest in year around sports. His main task is coaching our top-rated football team.

MRS. CORNELIA PAYNE

A.B. and A.M., University of Tennessee, Certificate d'Etude, L'Alliance Francaise, Paris, France; French, Spanish. Because of her European tours, Mrs. Payne is able to give a more colorful presentation of the languages she teaches.

MRS. OZAANA ROBERTS

B.S., Tennessee State University, B.S.L., Atlanta University School of Library Service; General Math, Algebra. As a new teacher at West this year, Mrs. Roberts is very interested in music, especially choral music.

MR. RAY SIMPSON

B.S., University of Tennessee; World History, Geography, Economics. Since Mr. Simpson is a retired Lieutenant Colonel of the United States Army, he is deeply interested in reading military history.

Teachers Urged Student Activities

MRS. JANE SMITH

A.B., Agnes Scott, M.S. and Ed.S., University of Tennessee; French, English. As another new teacher at West this year, Mrs. Smith finds pleasure in homemaking, bridge, and reading.

MR. ROLAND SMITH

B.S. and M.A., East Tennessee State University, Carson-Newman, University of South Carolina; Mechanical Drawing, Woodwork, General Math. Mr. Smith spends much of his outside time watching sports and working in his church.

MR. WILLIAM SMITH

B.A., University of Tennessee, East Tennessee State University; Band. Our new band director enjoys reading and also is very interested in tinkering with stereo and hi-fi sets.

MISS CLARA SWEENEY

B.S. and M.A., University of Tennessee; Typing, Shorthand. When Miss Sweeney is not listening to the "peck, peck, peck" of the typewriters, she spends much time reading and growing flowers.

MRS. SALLY THOMPSON

B.A., University of Tennessee; English. Mrs. Thompson says she is completely enthralled by music. She also enjoys tennis.

MRS. TAMARA TRIMM

B.S., University of Tennessee; Journalism, American Government, Guidance. Mrs. Trimm says that she loves traveling and reading. She also is our new advisor to the West Wind.

MRS. BETSY WILHITE

B.A., Tennessee Wesleyan College; Chorus, Algebra. It is apparent that Mrs. Wilhite's main hobby is music. Besides being a member of the Knoxville Choral Society, she plays the piano and organ.

MRS. LUCY WILLIAMS

A.B., Lincoln Memorial University, M.A., Middle Tennessee State College; Biology. Mrs. Williams enjoys reading and sewing as hobbies when she is not teaching school.

Well Franklin,

I guess you'll be playing basketball again next year. I certainly hope so. Don't give up unless they "screw" you like they did "us" last season.

Smirnoff,
 You're a great guy
 and a hell of a lot of
 fun. I'll always remember
 the lake and so will
 my parents when they
 read my annual. Take
 care of Patricia and
 don't get into any trouble
 and stay single and sober.
 To bad we didn't all
 know each other last
 year cause that would
 have made this whole
 year great. Don't forget
 all the fun we had
 in basketball and getting
 to play on the great
 U.T. floor. I'll see ya
 for now but I'm gonna
 come back this summer.
 make sure Convent is
 stocked when I return.
 Bye.

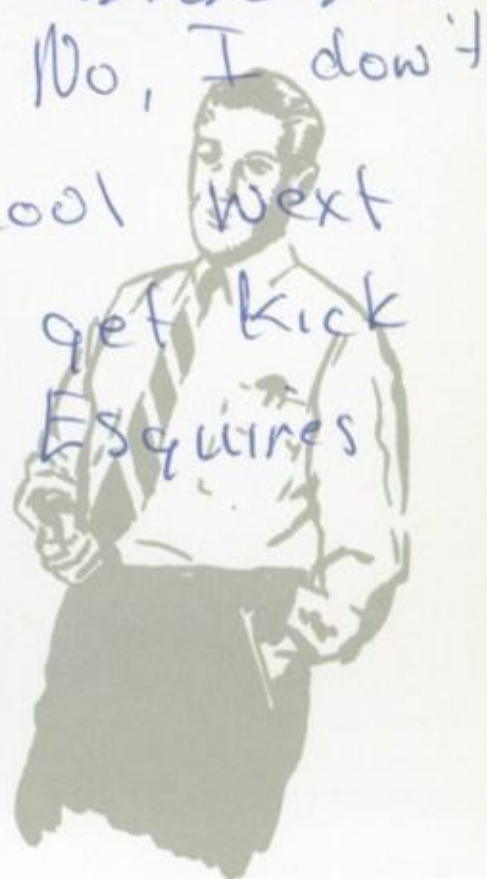

ADVERTISEMENTS

Franklin:

Thanks for giving up Betsy. No, I don't
 mean it that way. Keep it cool next
 year and play safe. Don't get kick
 out of school. Keep the
 up next year.

You are out of your mind if you think you are going to keep dating Patti and not marry me year after next. You promised me when we were 3 years old that we could get married at 19. You ~~I~~ mean I am your betrothed. We have had the greatest times together especially when we were little. Do you remember the little fort down in the meadow where we would go on Saturday afternoons and have cook outs and you would tell me nasty stories. It was great. I'll never forget the play house or the time Ruthie and Jerry beat me over the ~~head~~ head with drum sticks. Remember when Fred was about 1 and we told your mother we would watch him on the swing set and you put him on the sawsaw and he fell off on his head and got a bloody nose. Your mother got real mad and you and I laughed at Fred while he was crying. And remember we would go to Marion's just so she would give us candy. Oh Gosh how could either one of us ever forget all those great times.

I am sorry but since Jr High school I haven't seen much of you but maybe some time before I graduate we can get together and go out and raise a little. And make up for all that time. Never for get ya. Love ya lots, Marcie

Dear Franklin,
I haven't known you too well except for the last few months but now I'm proud to say you're one of my good friends. I'm so glad I came to West and to knowville and your friendship to me made me feel this way. Since you're my neighbor, I hope to see you some this summer. OK?
Franklin, you seem so shy and everything but when you smile, it makes everyone want to be your friend. That's how it is with me, so I really do want you for a good friend. Keep smiling!
God Bless you,
Kathy Hoodloe
Smile

Franklin -

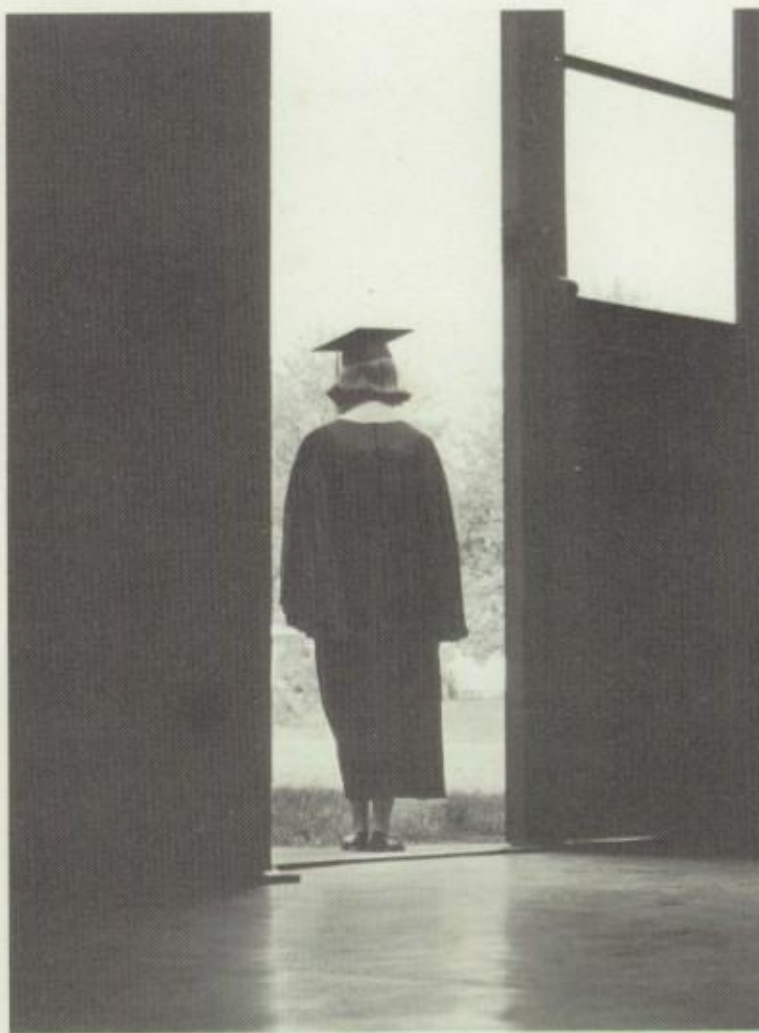

It sure has been fun
pretending with you this
last month - let's keep
on pretending for a long
time cause I'm awfully
happy. Sometimes I don't
know why you put up
with me but whatever
the reason is - I'm glad...
I'm gonna stop now because
no matter what I pay here
you know how I feel.

Love
always -
Patti

Franklin -

I'm glad I got to
know you just a
little better. You
sure have changed
since last year!
I hope we can be
good friends this
summer and next
year. Hope to see ya'
on the lake a lot.
Take care of Patti - she
needs it.

Love,
Ann - 67 -

Although the sun has set on the
events and emotions we experienced
at West, these memories mixed with
our hopes and desires push us on to-
ward a new day and new horizons.

(Francis)
Franklin,
well wait, you
junior year is about
over and you'll soon be a
big enough senior. Don't forget
me and all our problem solving
sessions. You helped me get over
but it ain't over yet. I'll never
forget it. Not completely at least. I haven't
— got over it. (I hope) Basic Training's
heard from Charlie yet. I had a whole lot
will get a letter for over like you know and had a
rough and I dated never like you know! (and the other is in
time yet. I dated never like you know! (and the other is in
pretty good time but I guess I'll never forget you and
you are the two greatest guys I know! (and the other is in
mentionable) We just won't talk about it. This may turn out as a
work out) Miss you very best of health and you're tot in my work!
always have what you want. I'll never forget you. P.S. I had more
solving your problems. You're one of the greatest and you're tot in my work!
time, I'd write more but I don't. I'll never forget you. P.S. I had more

Love,
Sharon
